WESTFIELD SPECIALTY

Marine Cargo, Logistics

WHAT WE OFFER

We partner with insureds who value risk mitigation and loss control, helping to tailor bespoke insurance solutions to protect their balance sheets. Our underwriters can write up to USD 50m in the open market to provide protection for the Cargo interests of our large, complex client base.

For smaller businesses, we also co-lead the Portia Consortium which has USD 65m of capacity. This is a service-driven, 100% solution that offers a quick and easy solution for small and mid-sized business. For more details on the Portia Consortium and appetite, feel free to contact our team for a separate product sheet.

We provide cover for a wide range of different cargoes, with examples being:

- Food and Beverage
- Consumer Goods
- Electronics
- Construction Components
- Commodities
- Aviation and Auto Parts
- Lumber

COVERAGE HIGHLIGHTS

Our dynamic team can lead or follow a variety of cargo products: stock throughput, logistics, excess stock, inland marine, marine cargo, and war perils.

TERRITORIES

We write worldwide exposure, with a focus on North America, Asia, and Europe.
