

Direct & Facultative Property

TARGET CLASSES

- Real Estate
- Municipalities
- Education
- Hospitality
- Industrial
- Offices
- Healthcare
- Mining

COVERAGE HIGHLIGHTS

We write a global portfolio of business where risk management sits at the core of our clients' values. Our principal markets are North America, Australasia, and the Caribbean. We write Primary layers, Excess of Loss, and some Full Value. Our strategy is to maintain and develop our shared and layered portfolio with long-term London clients. We participate on multiple layers of a placement where it makes sense.

WHAT WE OFFER

- We offer Primary, Excess and some Full Value solutions
- Max critical cat line of 2.5m and max non-cat line of 5m

POINTS OF DIFFERENCE

- Experienced underwriters with lead capabilities
- Ability to price and structure a placement
- Appetite to write multiple layers on a program
- Long-term relationships with clients and brokers
- High Service levels
- Lead claims capability
- Wording capability
