COVERAGE HIGHLIGHTS

Via Lloyd's brokers, we partner with coverholders to underwrite our target products, utilising a mix of market and bespoke wordings. Our territorial focus is the U.S, New Zealand, Australia and Canada. Our coverages vary by product, designed to meet client needs in a clear and concise way.

WHAT WE OFFER

- Our maximum line on any one risk is USD 5.0m, dependent upon product.
- We are a recognized lead market in our product offering; utilising technological solutions to aide our underwriting expertise.
- Risks are written on a Full Value, Primary and Excess basis.

POINTS OF DIFFERENCE

- Product Expertise – we have a depth of knowledge across our product range, and develop solutions as a lead market, as well as taking follow positions where the opportunity aligns with our Underwriting ethos.
- Service – we provide a high level of service to brokers and coverholders, responding promptly to our business partners.
- Relationships – we focus on developing strong, profitable long-term relationships with our business partners
- Wordings – we have in-house wordings expertise across our product offering
