

WESTFIELD SPECIALTY®

Westfield Specialty

Inland Marine

Inland Marine targets those risks that do not fit within traditional property policies. At Westfield Specialty, we craft solutions-based coverage such as property in transit, installation, construction equipment, and many more.

What Do We Cover?

In terms of capacity, premiums, products, and perils:

- Up to \$50,000,000 capacity
- Minimum premium \$10,000
- Mono-line Inland Marine coverage and multi-line Inland Marine and property coverage available.
- Ability to participate on large shared and layer schedules in lead or excess positions

Target Classes

- Construction
- Transportation and Logistics
- Telecommunications
- Medical
- Entertainment
- Equipment Sales and Rental
- Builder's Risk
- Railroad

The following classes do not fit into our appetite

- Food Processing and Distribution
- Lumber and Sawmills
- Recyclers
- High Hazard Manufacturing
- Technical Risks including Pharmaceuticals and Clean Rooms
- Ammunition Mfg. and Fireworks
- Marinas
- Hull and P&I

Specialty insurance provides tailored solutions designed for the unique risks and specific to the kind of risk and product demands of a given business or industry. Westfield Specialty offers history, knowledge, and the vast product offerings you need.
