

Westfield Specialty E&S Excess Casualty

Westfield Specialty is only accepting submissions from appointed wholesale brokers and has a broad appetite for E&S Excess Casualty. We're particularly interested in:

Contracting businesses, focusing on practice policies, project policies for contractors and owners, New York construction, wrap-ups and residential projects subject to underwriting limitations.

Manufacturing, including products. Chemical and Pharmaceutical manufacturing are specifically excluded classes.

Wholesale distribution.

Entertainment and sports.

Trucking, with minimum attachment of \$25 million.

Energy-related risks, except for over-the-hole exposures.

**Have an opportunity not listed above?
Please contact a Westfield Specialty
underwriter directly.**

- Our E&S Excess Casualty coverage is tailored to each individual client with:
 - Follow form excess liability
 - Lead and excess layers
 - Limits up to \$25 million, with a maximum of \$10 million in lead position
 - Accepting submissions from Wholesale Brokers only

Why Choose Westfield Specialty?

Unique risks demand unique insurance solutions and the talented team at Westfield Specialty relishes a challenge. We develop creative solutions to help protect businesses and recover losses as well as drive growth for everyone in the value chain.

Coverage for specialized risks requires creativity, and our team has the knowledge and deep expertise that only comes from experience. It is that robust combination of Westfield's more than 175 years of financial stability and boldness that makes Westfield stand above the rest.

That is Westfield Specialty.

E&S Excess Casualty
