

Professional Liability for Architecture & Engineering Firms

What We Offer

Westfield Specialty is your Professional Liability insurance solution for Architecture & Engineering Firms. We work with all types and sizes of firms, from solo practitioners to the largest global firms. For firms with less than \$50 million in revenues, we are collaborating with the skilled and experienced staff at Euclid Design, acting as our program administrator. For firms with greater than \$50 million in revenues, our product may be accessed directly.

All policies are supported by our experienced claims staff, specializing in professional liability for A&E firms.

Coverage Highlights

For firms with less than \$50 million in revenues accessing our product through Euclid Design:

- Limits up to \$5 million
- Primary Admitted or Excess capabilities
- Risk Management Services
- Broad definition of professional services
- Wrongful Acts coverage for Network Security, Tech, Contingent Pollution, PI offenses

For firms with greater than \$50 million in revenues our products may include

- Limits up to \$10 million
- Primary or Excess capabilities, typically on a quota-share basis
- Ability to act as lead or support market, regardless of layer
- Risk Management Services
- Bespoke policy forms

Why Choose Westfield Specialty?

Unique risks demand unique insurance solutions and the talented team at Westfield Specialty relishes a challenge. We develop creative solutions to help protect businesses and recover losses as well as drive growth for everyone in the value chain.

Coverage for specialized risks requires creativity, and our team has the knowledge and deep expertise that only comes from experience. It is that robust combination of Westfield's more than 175 years of financial stability and boldness that makes Westfield stand above the rest.

That is Westfield Specialty.

Professional Liability for Architecture & Engineering Firms
