

Westfield Pro

Technology, Cyber and Professional Protection - Primary Coverage

[safeguarding your corporation from the unknown]

Today's business environment demands bold thinking and rapid online communication. As clients are asked to do more, they face more liability. That's why Westfield Specialty offers the flexibility of primary coverage on a standalone or blended basis for:

Miscellaneous Professional Liability (MPL)

- ◇ Tailored Definition of Services for most MPL Classes of Business

Technology Errors and Omissions

- ◇ Broad spectrum of coverage with specialized language for software copyright and contractual E&O across a wide array of technology services and products.

Cyber Liability

- ◇ 1st Party Coverage
 - Breach Response Costs provided by pre-approved panel of experts
 - Legal Services
 - Computer Forensics
 - Notification/Call Center Services
 - Credit and Identity Monitoring and Repair
 - Public Relations
 - Direct Business Income loss, also including contingent business and system failure loss
 - Cyber Extortion
 - Data Recovery
- ◇ 3rd Party Coverage
 - Professional and Technology Services Liability
 - Full Media Liability
 - Privacy and Network Security Liability
 - Regulatory Fines and Penalties
 - PCI Fines and Penalties

Multimedia Liability

- ◇ Flexibility to address a range of exposures from ancillary multimedia to full multimedia E&O Liability.

Why Choose Westfield Specialty?

Unique risks demand unique insurance solutions and the talented team at Westfield Specialty relishes a challenge. We develop creative solutions to help protect businesses and recover losses as well as drive growth for everyone in the value chain.

Coverage for specialized risks requires creativity, and our team has the knowledge and deep expertise that only comes from experience. It is that robust combination of Westfield's more than 175 years of financial stability and boldness that makes Westfield stand above the rest.

That is Westfield Specialty.

Westfield PRO
