ONEOK Crude Trucking Hotline

Phone number: 800-488-2026

The ONEOK Crude Trucking Hotline provides one number for crude trucking questions and uses an automated menu to route calls to the appropriate internal/external team for assistance.

Hotline (800-488-2026) Menu Options:

Press 1 for truck ETAs or carrier dispatch. Have the applicable eight-digit PO number or load batch number ready.
Press 2 for drop-off operational issues or questions.
Press 3 for pick-up operational issues or questions.
Press 4 for all other crude truck scheduling questions.

Important

The Crude Trucking Hotline does not replace required safety incident, spill reporting or emergency notification procedures. Continue following your company's required processes for on-road incidents and emergencies.
