## PLAN HIGHLIGHTS

Under the Plan, you can elect to establish two Flexible Spending Accounts ("FSAs"). These accounts let you make before-tax contributions from your salary, which can then be used to reimburse yourself for Eligible Expenses.

The **Health Care Spending Account ("HCSA")** is a type of FSA used for reimbursement of Eligible Health Care Expenses (defined in the *Health Care Spending Account* section), including certain medical and dental expenses for you, your spouse, your dependent children, and any other dependents as determined by ONEOK, Inc. and in compliance with the Internal Revenue Code (IRC).

The **Dependent Care Spending Account ("DCSA")** is a type of FSA used for reimbursement of Eligible Dependent Care Expenses (defined in the *Dependent Care Spending Account* section), such as day care.

You can elect to participate in either the HCSA, the DCSA, or both.

Each Plan year (January 1 through December 31) you can contribute to your HCSA and/or DCSA, and then, during the Plan year, you can receive reimbursement from the appropriate account for Eligible Expenses that are not otherwise reimbursed. Contribution levels are set forth as described under Section, *Contributions*.

## HEALTH CARE SPENDING ACCOUNT

### Eligible Health Care Expenses

To be eligible for reimbursement from your HCSA, the health care expenses must be:

- Incurred for medical care, defined in Section 213(d) of the Internal Revenue Code for amounts paid for the diagnosis, cure, mitigation, treatment, or prevention of disease, or for the purpose of affecting any structure or function of the body including prescription medicine and drugs and over-the-counter(OTC), supplies and materials.
- Incurred while you are participating in the HCSA. If you decide not to re-enroll in the Plan, you are still eligible for reimbursement during the 2.5-month period immediately following the end of the Plan year as long as you were enrolled in the HCSA on the last day of the Plan year.
- Incurred during the Plan year or during the 2.5 months immediately following the end of the Plan year.

**Please note**

Any reimbursement you receive through your HCSA can not be reimbursed under any other plan covering health benefits, including a spouse's or dependent's plan.

Below is a partial list of the types of health care expenses eligible for reimbursement from your HCSA. Generally, Eligible Health Care Expenses are those for which you could have

claimed a tax deduction on an itemized federal income tax return (without regard to any threshold limitation) including any copayment, coinsurance or deductible amounts.

A more comprehensive list of Eligible Expenses is available at [www.myuhc.com](http://www.myuhc.com). Some guidance regarding what constitutes eligible medical expenses (including additional examples) is provided in IRS Publication 502 which is available from any regional IRS office, IRS website [www.irs.gov](http://www.irs.gov) or by phone at 1-800-TAX-FORM (1-800-829-3676).

***Eligible Medical Expenses***

- Copayments, Coinsurance and Deductible amounts;
- Routine physical exams;
- Routine lab and x-rays performed for medical reasons;
- Birth control items prescribed by your doctor;
- Childbirth classes;
- Cardiac rehabilitation classes;
- Drug abuse treatment centers;
- Sterilization unless prohibited by law;
- Other qualified 213(d) medical expenses not covered by the underlying medical plan.

***Eligible Vision Expenses***

- Routine eye examinations;
- Eye glasses;
- Contact lenses, including all necessary supplies and equipment.

***Eligible Hearing Expenses***

- Routine hearing examinations;
- Hearing aids and repairs;
- Cost and repair of special telephone equipment for the deaf.

***Eligible Dental Expenses***

- Copayments, Coinsurance and Deductible amounts;
- Preventive Care;
- Exams, cleanings, x-rays, root canals and bridges;
- Dentures and fillings.

***Eligible Prescription Drugs***

- Copayments, Coinsurance and Deductible amounts;

- Cost for allowable prescription drugs.

### ***Eligible Non-Prescription Drugs and Supplies***

- Cost for certain allowable OTC medical supplies, materials, medicines and drugs.
- Cost for allowable menstrual care products. For purposes of this SPD, the term ‘menstrual care products’ means a tampon, pad, liner, cup, sponge, or similar products used by individuals with respect to menstruation or other genital-tract secretions.

### ***Ineligible Expenses***

The partial list below includes examples of expenses that are not eligible for reimbursement:

- Expenses incurred for cosmetic surgery or other similar procedures, unless the procedure is necessary to improve deformities directly related to a congenital condition, a personal injury or a disfiguring disease.
- Expenses for custodial care in a nursing home.
- Insurance premiums, including Medicare Part B premiums, long term care premiums, and other payments or contributions for health coverage (such as contributions for coverage under an employer-sponsored group health plan or HMO or other health plan).
- Expenses incurred for general good health (such as vitamins and other dietary supplements, and toothpaste).
- Expenses incurred before the effective date of your account.

In addition, as with any other expense reimbursed under an employer-sponsored medical or dental plan, health expenses reimbursed through your HCSA cannot be claimed as deductions on your income tax return.

## **DEPENDENT CARE SPENDING ACCOUNT**

### **Eligible Dependent Care Expenses**

Eligible Dependent Care Expenses that can be reimbursed from your DCSA are expenses incurred for household and dependent care services that enable you and (if married) your spouse to be gainfully employed, which generally means working or actively looking for work.

If your spouse has no earned income, you cannot use a DCSA unless your spouse is physically or mentally incapable of caring for himself or herself, is looking for work or is a full-time student for at least five months during the Plan year.

To qualify for reimbursement, Dependent Care Expenses cannot exceed your earned income or, if married, the earned income of the lesser earning spouse. Earned income (including any self-employment earnings) is generally the remaining salary after all pre-tax salary reductions have been made. If you are married and your spouse is physically or mentally incapable of caring for himself or herself or is a full-time student, the IRS considers your spouse to have a monthly income of \$250 (as adjusted from time to time) if you have one dependent, or \$500

(as adjusted from time to time) if you have two or more dependents, for each month that your spouse is incapable of caring for himself or herself or is a full-time student.

Dependent Care Expenses must be incurred for a qualified dependent. Qualified dependents are:

- A dependent under federal tax law who is a child under age 13; or
- A spouse of a participant, if the spouse is physically or mentally incapable of caring for himself or herself and has the same principal place of abode as the taxpayer for more than one-half of such taxable year; or
- A dependent under federal tax law who is physically or mentally incapable of caring for himself or herself; provided that such dependent lives in your home for more than one-half of the year, if you provide over one-half of the individual's support for the taxable calendar year.

Eligible Dependent Care Expenses include, but are not limited to, the following expenses if not otherwise excluded:

- Expenses for care at a day care center and day care transportation that complies with all applicable state and local regulations.
- Expenses for licensed nursery school fees.
- Expenses for care provided by a housekeeper, babysitter or other person in your home who primarily cares for eligible children or an eligible adult dependent.
- Expenses for care provided by a relative who cares for your qualified dependents, so long as that relative is over the age of 19 and is not your dependent under federal tax law.
- Expenses for care for a qualified dependent age 13 or over, including a spouse or adult dependent, who is physically or mentally incapable of caring for himself or herself. If you are claiming reimbursement for care outside your home for such dependent, the dependent must spend at least 8 hours each day in your home.
- Expenses for care at a day camp to which you send your children (under age 13) during school vacations so that you and your spouse, if you are married, can be gainfully employed or attend school full-time.

### **Dependent Care Tax Credit vs. Dependent Care Spending Account**

Some employees may be eligible to claim a dependent care tax credit on their federal income tax return. This credit is available for the same types of expenses as the DCSA. However, the IRS requires that the dependent care tax credit be reduced, dollar for dollar, by the amount reimbursed under a Dependent Care Flexible Spending Account. In other words, you cannot use expenses reimbursed through the DCSA to claim the tax credit.

For more information about how the dependent care tax credit works, see IRS Publication No. 503. In addition, because each employee's situation is different, you may want to consult with a tax advisor before deciding whether to use the tax credit or the DCSA.

## **HEALTH CARE SPENDING CARD DEBIT MASTERCARD®**

You will be provided with a Health Care Spending Card Debit MasterCard® that may be used to pay for certain Eligible Expenses directly from your HCSA. The Health Care Spending Card Debit MasterCard® allows for direct payment to qualified locations and providers and can be used at any approved location that accepts MasterCard®. Use of the Health Care Spending Card Debit MasterCard® is voluntary.

### **Important**

You should familiarize yourself with the specific products and services that are eligible for card use based on this Plan. Go to [myuhc.com](http://myuhc.com) to learn how to get the most out of your Health Care Spending Card Debit MasterCard®.

## **Receiving Your Health Care Spending Card Debit MasterCard®**

You will automatically receive two Health Care Spending Card Debit MasterCard®s. Read the terms and conditions found on the card insert and sign the back of your card. You may call the customer service number listed on the back of the Health Care Spending Card Debit MasterCard® to order additional cards.

## **Activating Your Health Care Spending Card Debit MasterCard®**

If you choose to activate the Health Care Spending Card Debit MasterCard® you will need to call the toll-free number indicated on the sticker affixed to the card and follow the voice prompts to activate. The card will be ready to use with funds available real-time upon activation of the card within the first Plan year. However, for future Plan years the funds will not be available for use until the effective date of the future Plan year.

If you decide not to activate the Health Care Spending Card Debit MasterCard®, simply destroy and discard both cards. However, you can be reimbursed for Eligible Expenses by completing a paper reimbursement form available from ONEOK, Inc. or found on [myuhc.com](http://myuhc.com) and as described under Section, *Requesting a Reimbursement from Your Flexible Spending Account* or for Eligible Health Care Expenses by using the automatic reimbursement (auto-rollover) feature described under the Section, *Automatic Reimbursement (Auto-Rollover)*.

### **Please note**

If you activate your card prior to the Plan effective date, you cannot use your card until the Plan effective date.

## **Qualified Locations and Providers**

The Health Care Spending Card Debit MasterCard® may be used at any approved provider or merchant with a Point-of-Service (POS) bankcard terminal that accepts MasterCard® or your Health Care Spending Card Debit MasterCard® number can be entered online or on an order form, similar to using a credit card number. You can even use your Health Care

Spending Card Debit MasterCard® to pay for a bill you receive in the mail if the merchant or provider accepts MasterCard®. Examples of qualified locations and providers include hospitals, physician and dental offices, vision care providers, and retail pharmacy counters.

You may choose to use your Health Care Spending Card Debit MasterCard® for mail order prescriptions or for eligible over-the-counter (OTC) medicines, supplies and materials by going to an online pharmacy. Additionally, your Health Care Spending Card Debit MasterCard® can be used at participating retailers as described under the Section, *Retailers with Inventory Information Approval System (IIAS)*.

### **Using the Health Care Spending Card Debit MasterCard®**

In order to use the Health Care Spending Card Debit MasterCard®, you will need to enter 'credit' on the POS bankcard terminal just as if you were purchasing an item using a credit card. Each time the card is used for payment, you will sign a receipt. Your FSA and card are regulated by the IRS, therefore you should retain all itemized receipts generated from the Health Care Spending Card Debit MasterCard®, because certain payments must be verified and UnitedHealthcare may request this receipt from you to ensure that payment was made for a qualified health care expense. Credit card receipts that do not itemize expenses are not sufficient to verify payment. Amounts paid that cannot be verified may be considered taxable income to you.

Once you swipe the Health Care Spending Card Debit MasterCard® through the POS bankcard terminal, your available benefit balance is verified. The card validates your purchases real-time and automatically debits your FSA account based on the guidelines established by the IRS and your specific plan design as described under Section, *Health Care Spending Account*. A claim number is assigned to the transaction.

### **Eligible Expenses Reimbursed through the Health Care Spending Card Debit MasterCard®**

Your card can be used for certain Eligible Health Care Expenses including prescription copayments or out-of-pocket responsibility, eligible over the counter (OTC) medicines, supplies, materials, copayments, deductibles and coinsurance at locations such as doctor, dentist, eye doctor, clinic, hospital or other care providers associated with medical, dental, vision at UnitedHealthcare in-network providers. Additionally, your card can be used for out-of-network copayments if your copayment is the same as the in-network copayment. While in-network provider transactions can be used for coinsurance and deductibles the card does not determine patient responsibility or eligible benefits.

**Please note**

You may be able to use your Health Care Spending Card Debit MasterCard® to pay for an Eligible Expense under your Plan, including certain OTC medicines, supplies and materials. Or you may purchase the eligible OTC medicines, supplies and materials using another form of payment, such as cash or a personal credit card. If it is an Eligible Expense under your Plan, you can manually submit for reimbursement.

## Partial Payment Authorization

Partial authorization capability allows you to use your Health Care Spending Card Debit MasterCard® with transactions amounts greater than the funds available in your HCSA for a portion of the transaction at providers or merchants that accept partial authorization. For example, if you purchase an item that costs \$20 and you only have \$10 remaining in your HCSA, the HCSA balance of \$10 will be authorized towards the purchase and you are responsible for paying the remaining balance of \$10 with another form of payment. **Note:** not all providers or merchants accept partial authorization.

## Retailers with Inventory Information Approval System (IIAS)

IRS regulations require that retailers comply with IRS Inventory Information Approval System (IIAS) swipe technology as a method to identify and substantiate Eligible Health Care Expenses, per Section 213(d) of the Internal Revenue Code. The IIAS allows you to use your Health Care Spending Card Debit MasterCard® to pay for 213(d) Eligible Health Care Expenses without having to provide any additional documentation or request reimbursement after a purchase is made, as transactions will be verified at the point of sale and payment will be made right from your HCSA. Additionally, IIAS compatibility allows you to use your Health Care Spending Card Debit MasterCard® at participating retailers to pay for both Ineligible Expenses and Eligible Health Care Expenses on the same transaction with Eligible Health Care Expenses being approved via the Health Care Spending Card Debit MasterCard® and remaining Ineligible Expenses may be paid using another form of payment. When you use your card at participating retailers, Eligible Health Care Expenses will be identified and noted on your receipt. You will not have to submit receipts for reimbursement as long as the purchases are made at a participating retailer and you use your Health Care Spending Card Debit MasterCard®. IRS guidelines still require you to save your itemized receipts as part of your tax records. You can see a full list of participating retailers at <http://www.sig-is.org>. If you go to a non-Participating retailer you can still buy Eligible Health Care Expenses that don't provide itemized sales receipts, however you will need to pay using another form of payment, and then submit receipts for reimbursement as described under the Section, *Requesting a Reimbursement from your Flexible Spending Account*.

## Monthly Health Statements and FSA Yearly Statements

Explanation of Benefits (EOBs) will not be issued for card transactions. Instead, you will receive monthly health statements and a FSA yearly statement which will include your card activity. You will also be able to view card transactions on [www.myuhc.com](http://www.myuhc.com). If you note a discrepancy on the monthly health statement or FSA yearly statement, call the number on the back of your Health Care Spending Card Debit MasterCard® to resolve the issue.

## REQUESTING A REIMBURSEMENT FROM YOUR FLEXIBLE SPENDING ACCOUNT

If you do not activate your Health Care Spending Card Debit MasterCard® or choose not to use your card, you will need to submit a reimbursement form, called a request for withdrawal, to be reimbursed from your HCSA and/or DCSA for the Eligible Expenses that have been incurred. A request for withdrawal form can be found on [www.myuhc.com](http://www.myuhc.com). However, if the automatic reimbursement (auto-rollover) feature as described under Section, *Automatic Reimbursement (Auto-Rollover)* is turned "on" you will not have to submit a reimbursement form for certain HCSA expenses.

For reimbursement from your HCSA, you must include proof of the expenses incurred. Proof can include a bill, invoice, or an Explanation of Benefits (EOB) from any group medical/dental/vision plan under which you are covered. An EOB will be required if the expenses are for services usually covered under group medical, dental and vision plans, for example, charges by surgeons, doctors and hospitals. In such cases, an EOB will verify what your out-of-pocket expenses were after payments under other group medical/dental/vision plans are made.

For reimbursement from your DCSA, you must submit proof of the services rendered, such as a bill, receipt, or invoice and Social Security or Tax Identification Number of the care provider.

Only expenses which are incurred while you are a participant in the Plan or during the 2.5 month period immediately following the end of the Plan year may be reimbursed from a Flexible Spending Account. In addition, expenses which are incurred during one Plan year, with the exception of expenses incurred during the 2.5 months immediately following the end of the Plan year, cannot be reimbursed from funds contributed to your HCSA or DCSA during another Plan year. An expense is considered incurred when services are provided, not when you are billed or when you pay for care.

You can submit a reimbursement form as often as Daily. You will be reimbursed for Eligible Expenses as long as the amount requested from either account is at least \$25, except for reimbursement with respect to the last month of the Plan year. Amounts below \$25 will be accumulated and processed with future payments. However, if the automatic reimbursement (auto-rollover) feature as described under Section, *Automatic Reimbursement (Auto-Rollover)* is turned "on" you will not have to submit a reimbursement form for certain HCSA expenses.

If you have established a HCSA, your total annual contribution amount is available immediately. You can request reimbursement for Eligible Expenses up to your annual contribution amount as soon as such Eligible Expenses have been incurred.

If you have established a DCSA, only the amounts you have actually contributed to the account are available for reimbursement. If you request reimbursement for more than what you have in your account, you will receive only the amount in your account. As additional contributions are made to your account, outstanding reimbursements will be processed automatically.

Requests for withdrawal will be accepted and processed through March 31 of the following year for expenses incurred during the Plan year and during the 2.5 months immediately following the end of the Plan year.

**In accordance with IRS regulations, amounts contributed to your HCSA or DCSA during the Plan year but remaining in your account at the end of the processing period (March 31 of the following year) cannot be returned to you or used to reimburse expenses incurred in a subsequent Plan year. These amounts are forfeited.**

**Important**

**Myuhc.com** includes many features such as the options to:

- View Explanation of Benefits/Health Statements
- Utilize a savings calculator for FSA
- View your FSA summary page detailing contributions and amount left in your FSA
- View your FSA Claims Summary including claim transaction details

**Automatic Reimbursement (Auto-Rollover)**

You can elect to have Eligible Expenses for medical, pharmacy and dental claims which are not covered under your UnitedHealthcare administered plans automatically submitted to your HCSA for reimbursement. This eliminates extra paperwork and makes it more convenient for you to use your HCSA. To activate automatic reimbursement (auto-rollover), you must complete an FSA Automatic Reimbursement Request form at the beginning of the Plan year. Once this form is completed you will not be required to submit a separate withdrawal request for these expenses. You can turn auto-rollover of claims "off" or back "on" by going on to **www.myuhc.com**. All claims must still be verified and UnitedHealthcare may request additional substantiation.

However, if you have coverage administered through another carrier, the automatic reimbursement (auto-rollover) feature does not apply. Further, the automatic reimbursement (auto-rollover) feature does not apply to your domestic partner covered under your employer's group health plan, unless your domestic partner is your federal tax dependent for health coverage purposes, as defined under Section 105(b) of the IRS Code. An FSA withdrawal request must be submitted for any other types of expenses such as dependent care expenses and any health expenses not submitted to your health benefits carrier.

**Extension for Incurring Expenses**

If you have unused contributions in your account at the end of the current Plan year you can continue to incur expenses during the first 2.5 months immediately following the end of the Plan year and receive reimbursement for these expenses until such unused funds are depleted. All requests for reimbursement will be accepted and processed through March 31. After March 31 funds remaining in your account for the current Plan year will be forfeited. Unused benefits relating to a particular qualified benefit (e.g. HCSA, DCSA) may only be used to pay expenses incurred with respect to that particular benefit and can not be transferred to another account.

If you elect coverage under this Plan for the next Plan year and there are still funds available in your account from the current Plan year, expenses incurred between the end of the

current Plan year and March 15 of the next Plan year will be reimbursed from the funds in your current Plan year's account until they are depleted.

If you move to a Health Savings Account (HSA) at the end of the Plan year you will not be eligible to make any HSA contributions or receive any employer contributions to the HSA before March 15 unless you have used all of the funds in your account from the current Plan year.

## **CLAIMS PROCEDURES**

### **Claim Denials and Appeals**

#### ***If Your Claim is Denied***

If a claim for benefits is denied in part or in whole, you may call UnitedHealthcare at the number on your Health Care Spending Card Debit MasterCard® card before requesting a formal appeal. UnitedHealthcare will try to resolve the issue over the phone, however, if you are not satisfied you have the right to file a formal appeal as described below.

#### ***How to Appeal a Denied Claim***

If you wish to appeal a denied claim, you must submit your appeal in writing within 180 days of receiving the denial. This written communication should include:

- the patient's name and ID number as shown on the ID card;
- the provider's name;
- the date of medical service;
- the reason you think your claim should be paid; and
- any documentation or other written information to support your request.

You or your Dependent may send a written request for an appeal to:

UnitedHealthcare – Appeals  
Attn: FSA Appeals  
P.O. Box 740380  
Atlanta, GA 30374

#### ***Review of an Appeal***

UnitedHealthcare will conduct a full and fair review of your appeal. The appeal may be reviewed by:

- an appropriate individual(s) who did not make the initial benefit determination; and
- a health care professional who was not consulted during the initial benefit determination process.

Once the review is complete, if UnitedHealthcare upholds the denial, you will receive a written explanation of the reasons and facts relating to the denial.

## **WHEN PARTICIPATION ENDS**

You will cease to participate in the Plan as of the earlier of:

- The date on which the Plan terminates.
- The date your employment with the Company ends.
- The date you cease to be an eligible employee.
- The date you fail to make a required contribution under the terms of the Plan.
- The date you retire.

## **Health Care Spending Account**

You may submit a claim for reimbursement of Eligible Expenses which were incurred during the Plan year of employment termination, as long as those expenses were incurred prior to the date of your termination. Any such claims must be submitted on or before March 31 of the next Plan year.

The requirements of the Consolidated Omnibus Budget Reconciliation Act ("COBRA") may apply to the Health Care Spending Account Plan. If the Plan is subject to COBRA see "Optional Continuation Coverage under your Health Care Spending Account (COBRA)".

## **Optional Continuation Coverage Under Your Health Care Spending Account (COBRA)**

You may continue participation and coverage under your HCFSA to the extent provided for under the health care continuation provisions of the Consolidated Omnibus Budget Reconciliation Act of 1986 ("COBRA"). For a full description of your COBRA rights see the ONEOK, Inc. Health Plan Document and Summary Plan Description. You may obtain a copy of this by contacting HR Solutions.

In no event will UnitedHealthcare be obligated to administer continuation coverage for a participant if ONEOK, Inc. or its designated plan administrator fails to perform its responsibilities under federal law. These responsibilities include but are not limited to notifying the participant in a timely manner of the right to elect continuation coverage and notifying UnitedHealthcare in a timely manner of the participant's election of continuation coverage.

In general, COBRA continuation coverage must be offered with respect to a participant's HCSA if the participant has a positive balance in such account at the time of a qualifying event such as termination of employment (other than by reason of gross misconduct) or reduction in work hours. A "positive balance" for this purpose generally means that the contributions made to the account prior to the qualifying event exceed the eligible claims for reimbursement submitted prior to the qualifying event. If this COBRA continuation

coverage is available to a participant who experiences a qualifying event and continuation coverage is elected by the participant, such coverage will cease at the end of the Plan year in which the qualifying event occurs and coverage cannot be continued beyond such date. Premiums for such continuation coverage (i.e., contributions to the account) will be paid by the participant on an after-tax basis unless otherwise permitted by ONEOK, Inc. on a uniform and consistent basis plus a 2% administrative fee or other cost as permitted by law.

### **Uniformed Services Employment and Reemployment Rights Act**

An employee who is absent from employment for more than 30 days by reason of service in the Uniformed Services may elect to continue Plan coverage for the employee and the employee's dependents in accordance with the Uniformed Services Employment and Reemployment Rights Act of 1994, as amended (USERRA).

The terms "Uniformed Services" or "Military Service" mean the Armed Forces, the Army National Guard and the Air National Guard when engaged in active duty for training, inactive duty training, or full-time National Guard duty, the commissioned corps of the Public Health Service, and any other category of persons designated by the President in time of war or national emergency.

If qualified to continue coverage pursuant to the USERRA, employees may elect to continue coverage under the Plan by notifying the Plan Administrator in advance, and providing payment of any required contribution (i.e., contributions to the account) for the HCSA. If an employee's Military Service is for a period of time less than 31 days, the employee may not be required to pay more than the regular contribution amount (i.e., contributions to the account), for continuation of the HCSA.

An employee may continue Plan coverage under USERRA for up to the lesser of:

- the 24 month period beginning on the date of the employee's absence from work; or
- the day after the date on which the employee fails to apply for, or return to, a position of employment.

Regardless of whether an employee continues the HCSA, if the employee returns to a position of employment, the employee's HCSA and that of the employee's eligible dependents will be reinstated under the Plan, upon a positive election of benefits in Workday. No exclusions or waiting period may be imposed on an employee or the employee's eligible dependents in connection with this reinstatement, unless a Sickness or Injury is determined by the Secretary of Veterans Affairs to have been incurred in, or aggravated during, the performance of military service.

You should call the Plan Administrator if you have questions about your rights to continue the HCSA under USERRA.

UnitedHealthcare is not ONEOK, Inc.'s designated Plan Administrator and does not assume any responsibilities of a Plan Administrator pursuant to federal law.

### **Dependent Care Spending Account**

You may submit claims for the Eligible Expenses you have incurred during that Plan year before your termination date against what is in your DCSA when you leave employment. Any such claims must be submitted on or before March 31 of the next Plan year.

As a participant in the Plan, you are entitled to certain rights and protections under ERISA. ERISA provides that all Plan participants shall be permitted to:

- receive information about Plan Benefits;
- examine, without charge, at the Plan Administrator's office and at other specified worksites, all documents governing the HCSA – including pertinent insurance contracts, trust agreements, collective bargaining agreements (if applicable), and a copy of the latest annual report (Form 5500 series) filed with the Internal Revenue Service or the U.S. Department of Labor, and available at the Public Disclosure Room of the Employee Benefits Security Administration; and
- obtain copies of all documents that govern the operations of the HCSA and other Plan information, including insurance contracts and collective bargaining agreements (if applicable), and copies of the latest annual reports (Form 5500), and updated Summary

Plan Descriptions, by writing to the Plan Administrator. The Plan Administrator may make a reasonable charge for copies.

You can continue HCSA benefits for yourself, Spouse or Dependents if there is a loss of coverage under the Plan as a result of a qualifying event. You or your Dependents may have to pay for such coverage. Review this Summary Plan Description and the ONEOK Cafeteria Plan SPD to understand the rules governing your COBRA continuation coverage rights.

In addition to creating rights for Plan participants, ERISA imposes duties on the people who are responsible for the operation of the Plan. The people who operate your Plan, who are called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer, your union, or any other person may fire you or otherwise discriminate against you in any way to prevent you from obtaining a Plan Benefit or exercising your rights under ERISA.

If your claim for a Plan Benefit under the HCSA is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules. See Section, *Claims Procedures*, for details.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of the plan document or the latest annual report from the Plan, and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent for reasons beyond the control of the Plan Administrator.

If you have a claim for Benefits, which is denied or ignored, in whole or in part, and you have exhausted the administrative remedies available under the Plan, you may file suit in a state or federal court. In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order, you may file suit in federal court. If it should happen that the Plan's fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory, or write to the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W. Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration at (866) 444-3272.
