

## Bonefish Grill Honors U.S.S. Bonefish Submariners

Aug, 2016

Bonefish Grill remembers and honors the *U.S.S. Bonefish* (SS 223), lost at sea during its eighth and final patrol on June 18, 1945 when it was presumably sunk in a counterattack near Japan during World War II. To pay tribute to the 85 submariners on board, a painting hangs in the original Bonefish Grill in St. Petersburg, Fla.
