# LEVERAGING #sOOH FOR YOUR BRAND

There's a phenomenon of digital amplification and engagement that occurs when the right creative is placed in the right location. We call it social out of home (#sOOH). At OUTFRONT, we're experts in setting brands and local businesses up for social success. Here's how we can help.

## PRIME FOR A TIME

Throughout the year, a handful of iconic events achieve a level of cultural clout so powerful that they magnify the prestige of the area they are located and any brand advertising in that locale. PRIME FOR A TIME is a strategy to access OOH media to amplify awareness and elevate brand image during these cultural moments.

## STUDIOS & XLABS

The right creative is the second piece of the #sOOH puzzle. STUDIOS, our award-winning in-house design agency, can help. And for brands looking to really get people talking, our XLabs team offers technologies like three-dimensional XScape spatial creative and interactive QRad responsive content control.

## INFLUENCERS

Three in ten are more likely to purchase something with a familiar influencer in an out of home ad, while four in ten would repost the ad. We can help find the right influencers to reach the audience who matters most to you.

**Out of home drives 7x more social posts, 5.9x more social searches, 6.5x more video posts, and 5.7x more video searches than other mediums, dollar for dollar.**
