## FIRE RECOVERY RESOURCES

---

### Resource Conservation District – Fire Recovery Resources

“Resource Conservation Districts are special districts that help private landowners protect soil, water, wildlife habitat, and other natural resources. We are here to “fill in the gaps” of conservation. We help the rancher who needs to recover from wildfire, the farmer who wants to install money-saving irrigation, and even the large public agency seeking short-term help to do a specialized GIS project or a botanical survey. Bottom line: If it's resource-related and you could use help, call us.”
