Week of the Young Child

"First 5 Shasta serves as the local facilitator of Shasta County's Week of the Young Child. Each year it is our privilege to collaborate with local partners, businesses, and event and activity hosts to create a celebration focused on young children, ages 0-to-5, their families, and caregivers. When paper dolls handcrafted by local children appear in the Shasta County business window, all community members are alerted that the Week of the Young Child has arrived!!"
