Find a doctor near you.

1. Create an account or log in

To check your benefits and find a doctor in your network, create an account or log in at **vsp.com** using your **Partnership HealthPlan CA Plan ID number** (found on your card).

2. Search for a doctor (without creating an account)

- Visit **vsp.com/medicaid**
- Enter your location to find a doctor near you

3. Use Advanced Search (optional)

- Visit **vsp.com** and click on the **Find a Doctor** tab
- Click on **Advanced Search**
- In the **Doctor Network** dropdown, select **Medicaid**
- Choose any preferences, like language or office hours

4. Call for help (if needed)

- Call **800.877.7195 (TTY: 711)** if you need help finding a doctor.

At your appointment, tell them you have VSP through Partnership HealthPlan CA.

Present your member Health Plan ID card at your appointment.

That's it! We'll handle the rest—there are no claim forms to complete when you see a VSP network eye doctor.

Regular
eye exams are
important.

Regular eye exams are important for your eye health and overall health. Eye doctors may detect early signs of certain health conditions.
