

Provider Online Services: Provider Portal Overview Webinars

Partnership will be hosting a series of webinars to provide in-depth training on how to navigate our Provider Online Services Portal. This training is for new staff learning to navigate the portal or for experienced staff who may want a refresher.

Our provider portal allows providers to:

- ✓ Check eligibility / member redetermination
- ✓ Submit referral authorization forms (RAFs)
- ✓ Submit and view status of treatment authorization requests (TARs)
- ✓ View status of claims
- ✓ Submit provider dispute resolutions (PDRs)
