

KEEP YOUR MEDI-CAL

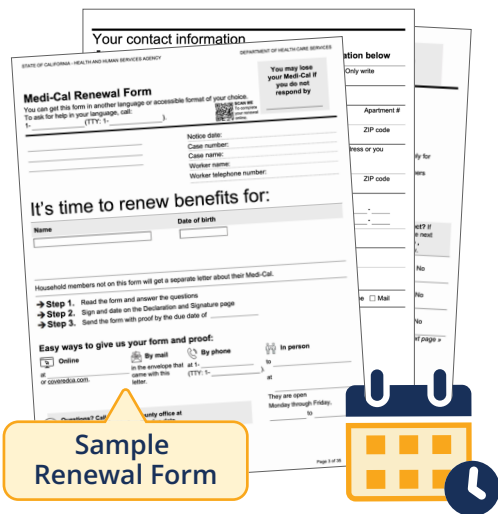

IMPORTANT UPDATE FOR UNDOCUMENTED ADULTS

As of January 1, 2026, there are some changes happening to Medi-Cal. Most Medi-Cal members will not see any changes.

THE MOST IMPORTANT THING TO KNOW IS THIS:

If you already have Medi-Cal, you can keep your benefits, no matter your immigration status.

If you are an undocumented adult, here's how to keep your Medi-Cal:

The image shows a sample Medi-Cal Renewal Form from the State of California, Department of Health Care Services. The form includes sections for contact information, renewal instructions, and submission options. A yellow callout box with a white border points to the form and contains the text "Sample Renewal Form". To the right of the form is a yellow calendar icon with a blue clock face.

- ✓ **Renew on time**
- ✓ **Check your mail for your renewal form**
- ✓ **Continue to meet Medi-Cal rules, like living in California**

If you renew on time, your benefits stay the same.

If your Medi-Cal coverage ends for any reason, you still have 90 days to fix the issue and get your full coverage back.

But if you miss that 90-day window, you won't be able to get full-scope Medi-Cal again. You would only be eligible for restricted Medi-Cal, which covers emergency care, pregnancy-related services, and nursing home care.

Children under age 19 and people who are pregnant can **still get full-scope Medi-Cal** if they meet eligibility rules.

Renewing on time is the key to keeping your Medi-Cal.
