Medi-Cal

Important Provider Notice: #540

Subject: ICD-10-PCS 2026 Updates – Effective April 1, 2026

Centers for Medicare and Medicaid Services (CMS) has published the ICD-10 semi-annual updates. Effective April 1, 2026, the updates include new and terminated ICD-10-PCS codes.

Partnership HealthPlan of California will also implement these updates with an effective date of April 1, 2026.

For a complete list of ICD-10-PCS code updates, and for additional information relating to the changes, please visit <https://www.cms.gov/>.
