

**1 in 12** Californians have a Substance Use Disorder\*

## How can Partnership HealthPlan of California help in your recovery?

We offer substance use treatment services for people who have Medi-Cal and are struggling with drug and/or alcohol addictions.

**10%** of those with Substance Use Disorders will receive treatment\*

## What do we do?

Our team is ready to help you 24 hours a day, seven days a week. A trained staff member will do a screening over the phone.

You will be connected to a treatment provider during the call and be offered access to treatment providers in your area.

## What does treatment cost?

If you have Medi-Cal with no share of cost, then treatment is no cost to you.

If you have Medi-Cal with a share of cost, then you must pay up to the monthly share of cost amount.

## What kind of treatment can I get?

Your assessment will help decide the kind of treatment you need. All substance use treatment services are based on medical needs and can include:

- Outpatient/Intensive Outpatient Treatment
- Residential Treatment
- Withdrawal Management
- Opioid Treatment
- Medication-Assisted Treatment
- Recovery Services
- Case Management

You will get services from a Partnership contracted provider. Some treatment services may need prior approval by Partnership.

## How do I know if I can get Partnership's Wellness and Recovery services?

You may be able to get these services if you have Medi-Cal and live in one of these counties: Humboldt, Lassen, Mendocino, Modoc, Shasta, Siskiyou, and Solano. Call us at (855) 765-9703. TTY users call (800) 735-2929 or 711.

If you do not live in one of these counties, contact your county's mental health agency. Or call Member Services at (800) 863-4155. TTY users call (800) 735-2929 or 711.

## What if I have been ordered to receive treatment?

Our providers will work with you and the court or child welfare agency to make sure you get the treatment you need.
