- Ethylene Oxide Ethylene Glycol (EOEG) is planned for Ethylene and Oxygen feed in on 18 July 2022.
- The Sulphur Solidification Unit (SSU) is expected to start next week.

Celebrating Eid Al-Adha with surrounding communities

This year, PIC's **Majlis Korban bersama Komuniti Pengerang** was celebrated in Kampung Jawa in Taman Bayu Damai. With double last year's contributions, more than 30 volunteers from PIC and Kesatuan Kakitangan PETRONAS (KAPENAS) worked together in butchering four cattle and packing the meat for distribution to 320 members of Kampung Jawa and Kampung Langkah Baik.

A total of 57 cattle and 135 goats were acquired through the funds raised from PIC staff via the Program Qurban dan Aqiqah that was organised by the Pengerang's Badan Kebajikan Kakitangan Islam PETRONAS (BAKIP Cawangan PIC). All **192** sacrificial animals were distributed to seventeen mosques, seven musollas, and two police stations in Pengerang and Bandar Penawar.

YB Aznan Tamin, ADUN Tanjung Surat, attended the event and expressed his gratitude for the continuous effort for almost a decade of PIC celebrating Eid with the community. Also in attendance were En Izzuddin A Ghani, Head of Strategic Communication and Stakeholder Management, En Hamzah Ahmad, Chairman of BAKIP Cawangan PIC, En Mohamad Nasir, Head of PIC Operations & Complex Management, En Azizan Ali, Penghulu Mukim Pengerang and Encik Faizul Md Fadhil, Penghulu Mukim Pantai Timur.

Meanwhile, **PRefChem** also held its annual tradition of Penyerahan Daging Korban Sumbangan Kakitangan Kompleks Bersepadu Pengerang at Masjid Kampung Lepau, Pengerang, Johor. The programme kicked off as early as 8.00 am with a breakfast session among the villagers, guests and volunteers.

The event carried on with korban activities which included cutting and packaging the meats for distribution where a total of **2 cattle and 12 goats** were sacrificed. The meats were then distributed to at least **70 villagers** including Asnafs as well as the underprivileged communities within Kampung Lepau and volunteers.

PRefChem's Management Committee (MC) Members that were present during the programme were Encik Zamri Japar, CEO of PRefChem, Datuk Hashim Majid, Head of Manufacturing, Encik M Ridzuan Jalaluddin, Head of HSSE, and Encik Haszny Hassan, Head of Human Resource. The event was also graced by Yang Berhormat Encik Aznan Tamin, the State Assemblyman of Tanjung Surat.

OE Leaguers, All the Best!

The PRPC OE League Pitching Session has kicked off on the 5th and 6th of July 2022. 18 teams from various units in PRPC comprised of executives and non-executives submitted their projects to be presented to a panel of judges before representing PRPC at the Making Impossible Possible Award and Convention (MIPAC) 2022.

The projects submitted are based on four Focus Areas; Safety, Reliability, Efficiency and Sustainability and are divided into Insights Driven Action (IDA) and I AM OE categories. The teams were given 20 minutes each to sell their project ideas, clarify and support their presentations to the internal judges.

In a nutshell, the teams will go through internal and external judging processes before the winning team is selected to represent PRPC at MIPAC to compete with over 20 leagues across PETRONAS OPU and Corporate. We wish you the best of luck and do make us proud!

Tazkirah

Allah berfirman dalam surah al-Baqarah ayat 152 : "Fazkuruunii azkurkum washkuruu lli wa laa takfuruun" bermaksud; Maka ingatlah kepada-Ku, Aku pun akan ingat kepadamu. Bersyukurlah kepada-Ku, dan janganlah kamu ingkar kepada-Ku. Oleh itu, Perbanyakkan berdoa Ketika masa gembira, senang, lapang..dll nescaya Allah akan menjawab doa itu ketika masa susah, memerlukan, terdesak dll.

Quote of the Week

“ PRefChem is unique in the sense that we have expertise from PETRONAS and Saudi Aramco bringing in their skills and experience to PRefChem. The vital foundation in making sure everything becomes successful is effective communication. I am very proud to be part of the company. ”

Yasser M. Almowalad
HSE Operation Petrochemical

What's Good in Pengerang?

Desaru Fruit Farm

Awarded 'Malaysia's Best Agro-tourism site' in 2006, Desaru Fruit Farm is a 180-acre tropical land of fruits where you can enjoy more than 100 types of seasonal and non-seasonal tropical fruits such as durian, rambutan, mangosteen, guava, passion fruit, jackfruit, mangoes and longan, to name a few. The area is huge but don't worry as you can opt for a guided tour with breakfast, lunch and dinner provided. For durian lovers, you can enjoy all-you-can-eat durian buffet for just RM65! If you prefer fruits other than durian, you can opt for unlimited tropical fruit buffet for RM40. Desaru Fruit Farm is not just about fruits. There's also a mini zoo where you can pet animal farms such as rabbits, roosters, geese, tortoises, goats and many more. This place is a perfect spot for a weekend outdoor getaway with your friends or family.
