## PRPC, PRefChem meets Azalina

PRPC and PRefChem management teams paid a visit to meet with Pengerang MP Datuk Seri Azalina Othman Said at the Parliament on 8 Sept 2022. Among the gist of the visit was to discuss on the odour issue in Kampung Lepau recently.

"We hope all efforts will be done in order to ensure that the issue will be properly addressed and mitigated. Let's hope all will go well," she said in her Facebook post after the visit. Deemed as not a trivial issue, Azalina said it needed haste attention to it as it involved the welfare of the Kampung Lepau residents.

## EC CEO visits PIC

PIC recently received a visit by Energy Commission (EC) Chief Executive Officer Ir. Ts. Abdul Razib Dawood with the intention to give a clearer picture on the scale of PIC Solar Project.

In addition to that, he was also updated on the PIC Solar Project Phase 1 as well as the Ground-mounted solar project (40 MWp) targeted to achieve COD in Q3 2022.

This will ensure an estimated supply of 1,107,522.88MWh clean energy to PIC for the next 21 years. Abdul Razib was also briefed on the potential future solar project of up to 200MWp (Phase 2) and was brought to visit PCP as well.

## What's Good in Pengerang?

### Hawaii Bakery, Sungai Rengit

Most dwellers in Pengerang believe that there's nowhere to find a decent sweet and savoury bun in the district. Hawaii Bakery, located next to Sungai Rengit's 99 Speedmart proves that you can get breads, bun, and cakes with the same quality to that of the renown departmental story bakery (read: AEON La Boheme). Whether you're in the mood for sweets or savouries, this charming little bakery at the centre of town is happy to accommodate. The ovens at Hawaii Bakery run all day, so you'll probably catch the intoxicating scent of this shop before you even arrive.
