PRefChem holds first Townhall with Joost

On 27 Sept 2022, PRefChem organised its Q3 2022 townhall at MPH attended by employees physically and virtually. The townhall was also Joost Emmen's first official event since his appointment as PRefChem CEO on 1 Sept 2022. He highlighted on the tremendous business opportunity in Southeast Asia and with PRefChem's state-of-the-art facilities, PIC is fully-prepared for the future of energy transition.

Joost emphasised on PRefChem's Vision and Cultural Beliefs to create a leading world class integrated refinery and petrochemical producer creating sustainable value and enriching lives. "HSSE and Business Control, Reliability and Quality, Stakeholders, Profitability, as well as People, Organisation and Culture are the key focus areas that we must continue to focus on to support the organisation's business," said Joost.

Meanwhile, Datuk Hashim Majid shared the key milestones achieved and applauded those who have been working tirelessly towards the start-up success. He stressed that the team must continue to stay focused on the next key milestones which are to achieve the CDU running at maximum capacity, to start-up remaining units and to ensure its stabilisation and optimisation as well as to complete the performance test runs.

A number of employees were also recognized for their dedication in their respective areas of work through the PRefChem Focus Recognition initiative. In addition, as part of PRefChem Belief 'Let's Communicate', employees were encouraged to address questions and concerns throughout townhall, in which the Management took the opportunity to address some of the questions raised.

What's Good in Pengerang?

Ramly Burger in Pengerang

Among workers at the PIC, there's a constant debate on who makes the best Ramly burger in Pengerang. In Kampung Pengerang, there are two known Ramly burger stalls. Nearest to Main Gate 3 is the Burger D'Rapid Bossku (Tel:0178810951) and the other one, located near the Kampung Pengerang roundabout, is known as Mamaza Corner (Tel:0137793314). Both stalls have their own regular customers, and they swear that one makes better burgers than the other. Burgermer (Tel: 0137106207), located next to Sungai Rengit KFC is also a popular burger spot and expect a long queue if you choose to walk-in.
