### LEADER'S

I have been in the industry for more than 30 years. All in all this time, I have never stopped contributing to HSSE. I spent a big part of my time going down to the ground and having conversations with my team. I am not the only one who wants to go home safely. I want everyone to go home safely too. I want you to know that we are in this together. *Tak kira lah staff ke, contractor ke.* We are all working together to make our operation safe.

### WEEKLY TAZKIRAH

Kerja kita adalah bernilai ibadah. Jangan kita rosakkan dan cemarkan nilai itu dengan sikap sambil lewa dalam menyempurnakan setiap tugas kerja. Walaupun usaha dan kerja kita tidak dihargai manusia, ketahuilah Allah itu maha melihat dan memerhati setiap kerja yang kita lakukan.

Do the right thing even when no one is watching.
