

Thank you & Adieu En Faiz

The PRPC family has bid farewell to its Head of Strategy, Business Development & Commercial, En Abdul Razak Faiz Sulaiman in a small get together last Friday. The small do was a send-off for En Faiz who is now heading Downstream's Strategy, Finance & Risk effective December 1, 2021.

En Faiz first joined PRPC in 2020 where he led his team on commercial development and venture management aspects of the PIC in its aspiration to become 'THE Regional Petrochemical Park', including the realisation of several cost optimisation initiatives beneficial to stakeholders.

In his new role, he steers and directs the unified Downstream strategy and portfolio management, business planning and performance, financial and commercial matters, and risk management to ensure long-term sustainability of the business while safeguarding its reputation and investment.

PRPC would like to wish all the best to En Faiz on his new portfolio as well as convey our sincerest thanks for his services to PRPC.

Assurance Team Joins AICE

Some call them The Assurance Team, some call them the Avengers. Whatever they are called, we are happy to welcome the team on board to assist us in starting-up safely and successfully. With their expertise, we are able to form Asset Integrity Confidence Enhancement (AICE) team.

Recalled from their retirement, eight former PETRONAS engineers with more than 300 years of combined experience have joined AICE as a symbol of their continuing loyalty to the organisation and lend their experience to restart PIC. Their presence was well-received and the value they bring in can be felt.

For a start, let's get to know them:

Who are they?
