

CIMAH Engagement Programme with Communities

PRefChem recently organised the Control of Industrial Major Accident Hazards (CIMAH) Engagement Programme for the communities in Pengerang. The programme took place in Desaru Coast Convention Centre, Johor, which was attended by 30 government agencies officers and 70 community from various villages in Pengerang.

The programme was held to fulfill the CIMAH Regulations 1996 which requires PRefChem to provide information on industrial activities and actions to be taken by the public in the event of emergency at site. The engagement also provides an opportunity for the communities to learn more about the plant operations as the Company progresses towards a safe and successful start-up this year.

Keeping PIC Safe

On 15 February 2022, a ceremony was held to commemorate the achievement of the Pengerang Region Security under PETRONAS Group Security in obtaining the ISO 18778:2015 certification for best practices in security operations management.

The ceremony was attended by PETRONAS Refinery and Petrochemical Corporation (PRPC) SVP and CEO, Encik Kamal Bahrin Ahmad, PRPC Leadership Team members, the Head of Pengerang Region Security Encik Rahmat Siran and his management team as well as the Head, Security Operations (Group Security) Encik Azahar Nasir and Manager Group Security Southern Region, Encik Shamsuri B Misran.

This certification is a testament on the commitment of Pengerang Integrated Complex (PIC) in ensuring the continuous safety and security of its assets and people.

Quote of the Week

"Our current data shows that the booster shots are successful in protecting us from the severity of COVID-19 variants. With adherence to the SOPs be it at the workplace or in the surrounding communities, I strongly believe that we can fight against the COVID-19 wave together".

Dr. M Azlee Ahmad
Senior Specialist (Occupational Health), PRefChem

Even if you're vaccinated, doing it all ensures better protection

What's Good in Pengerang?

Located in a natural lovely setting near the PIC, the **Ladang Ayam Eksotik Pengerang (in English, Pengerang Exotic Chicken Farm)** exhibits various exotic chickens from all over the world. Located at 103-A, Jalan Damai 10, Kampung Sungai Kapal, 81600 Pengerang, the chicken farm is a good place for you to introduce various bird species to your children. The good news is, children below 5 years old are **allowed to enter for free.**
