

The leading international exhibition for
process, drinking & waste water in
China & Southeast Asia

**AQUA
TECH** CHINA

5-7 NOV 2025

**ALL ABOUT WATER:
THE BEST OPPORTUNITY TO ENTER THE MARKET
OR EXPAND YOUR BUSINESS IN CHINA**

The steady growth in demand for (clean) water combined with promoting environmental protection and strong enforcement of new regulations creates huge opportunities for international companies specialised in (waste) water technologies in China. Aquatech China is the **ONLY** trade show in China focusing entirely on water.

Aquatech China is the leading water technology trade show in China, covering all aspects of water: drinking water, industrial water, waste water treatment, sludge treatment, smart water solutions and water management. Aquatech China attracts exhibitors and water professionals from all over the world as well as the best of the best in China.

CHINA – YOUR OPPORTUNITY KNOCKS ALL ABOUT WATER

Aquatech is all about water and solely about water: it is Aquatech's firm belief that the complexity of the challenges surrounding water and the environmental impact requires full focus worldwide. The programme includes water/wastewater treatment, transport & storage, process control technology & process automation, point of use / point of entry and other areas for comprehensive display.

EXTENDED KNOWLEDGE PROGRAMME

Aquatech China features in-depth exchanges and discussions on various topics such as sustainable water development, digital solutions for water treatment, water resources management, water ecological restoration, membrane technology development, ultra-pure water, desalination, urban water, zero industrial water discharge and climate change.

RAI CHINA - OUR EXPERTS IN SHANGHAI

Aquatech China is organised by RAI Amsterdam and RAI China. The international team consists of experienced professionals, uses extensive databases, stakeholders network and media relations to build up a valuable platform for the water industry.
