Metstrade features

Metstrade's floor plan features a variety of specialised areas, providing exhibitors with an unrivalled opportunity to present their products and solutions to a highly focused audience. Select the area that best aligns with your offerings and target market at the show.

Marina & Yard

Hall 5

Elevate your brand and present your state-of-the-art marina-specific equipment at the esteemed Marina & Yard area – the premier global platform for leisure marine professionals, industry leaders, and innovators.

This is a unique opportunity to position your brand at the forefront of the global leisure marine industry.

Start-up

Hall 7

Aspiring entrepreneurs and innovators have a unique opportunity to position their start-up at the forefront of the leisure marine industry. The Start-up area in Hall 7 provides a dynamic platform to showcase groundbreaking products and services, connect with key industry players, and explore new business opportunities.

Secure your spot and become part of the next generation of industry leaders. The Start-up area is in partnership with Yachting Ventures.

Foiling Technology

Hall 7

The Foiling Technology area exhibits high-end racing technology's progress towards mainstream adoption in yachts and boats. It's a one-stop-shop for boat builders and designers interested in using foiling in sail and power yachts. The area will present the latest foiling technology and host discussions on trending topics in the industry.

Construction Material

Hall 11 – NEW location

Nieuwe tekst: Architects, engineers, and construction professionals, this is your opportunity to showcase your latest innovations. The prestigious Construction Material area provides the ultimate global platform to present cutting-edge materials and connect with industry leaders.

Metstrade features

Superyacht area

Hall 8 / 9 / 10

Extra
Hall

The only dedicated area for the superyacht industry, showcasing luxury solutions, high-end innovations, and cutting-edge technologies tailored to the superyacht market. New in 2025, the Superyacht area will span 3 halls at Metstrade, including a dedicated Refit Cluster.

With exclusive networking opportunities, industry insights at the Superyacht Arena, a Captains' Club, fine dining at the new premium restaurant, this is the ultimate hub for superyacht professionals.

Refit Clusters

New in
2025

In 2025 we will introduce a dedicated area for refit clusters. An exclusive opportunity for premier superyacht refit destinations to showcase their expertise. This new concept allows refit yards and their regional ecosystems to position themselves in front of captains and owner-representatives seeking top refit solutions.

Enhanced experiences

New in
2025

Superyacht Arena

The new theatre at the Superyacht area offers technical sessions and showcases the latest technologies. While The Superyacht Forum remains the premier platform for C-suite education, this new theatre caters to engineers, senior crew, and other technical professionals.

The Captains' Club

Metstrade introduces The Captains' Club, Offering exclusive networking and educational opportunities for superyacht captains. Captains will engage in one-on-one matchmaking sessions, educational workshops, and networking events.

Restaurant

Based on visitor feedback, METSTRADE 2025 will introduce a refined dining experience, offering high-quality food and drinks alongside additional space for networking opportunities.

Country Pavilions

National pavilions showcase the expertise and innovations of individual countries, providing a unique opportunity for networking and discovering international solutions.

In association with the International Council of Marine Industry Associations (ICOMIA), Metstrade features country pavilions. ICOMIA, the international trade association representing the global marine industry since 1966, unites national marine industry associations (MIAs) under one global organization and represents them at an international level.

This year, an impressive 29 countries will be represented, with Estonia joining the country pavilions for the first time.
