REMATEC AMSTERDAM, WHERE THE REMAN WORLD COMES TOGETHER

The “Rematec” brand originated in Amsterdam, the Netherlands, and is currently the world’s most influential remanufacturing trade exhibition. In June 2023 the last edition of our flagship exhibition received unprecedented active participation from industry associations, vehicle OE and remanufacturing brands throughout Europe, attracting professionals from more than 80 countries and regions.

Industry professionals and decision-makers from all corners of the world gather at Rematec Amsterdam to source innovations, gain new insights, and plan for future investments. The show floor offers an unparalleled business ecosystem and the perfect networking place. This is where remanufacturing professionals come together from all segments of the industry: to network, see innovative products, and learn from experts and key leaders on how to manage and grow their businesses.
