

PARKINSON'S DISEASE CLINIC

Do you have Parkinson's? You're not alone.

Join us for our FREE monthly clinic dedicated to Parkinson's Disease (PD) care and connect with others who have this disease.

Benefits of the clinic:

- Organized and staffed by RRH Physical Therapists
- Educational topics and relevant resources
- Hear from others living with PD and build a supportive community

All clinics are free and open to those living with Parkinson's disease — including patients, caregivers, spouses, and loved ones.
