

DELIVERIES THAT *Matter*

SAS Basic Cargo

Cost-efficient Scandinavian quality for your most predictable shipments

SAS Cargo

Optimized for planning

Experience the hallmark of Scandinavian quality with a solution tailored for your firm schedules and advance planning

- Signature reliability at attractive rates
- A solution that challenges comparable market options
- Tailored for shipments where advance planning is prioritized

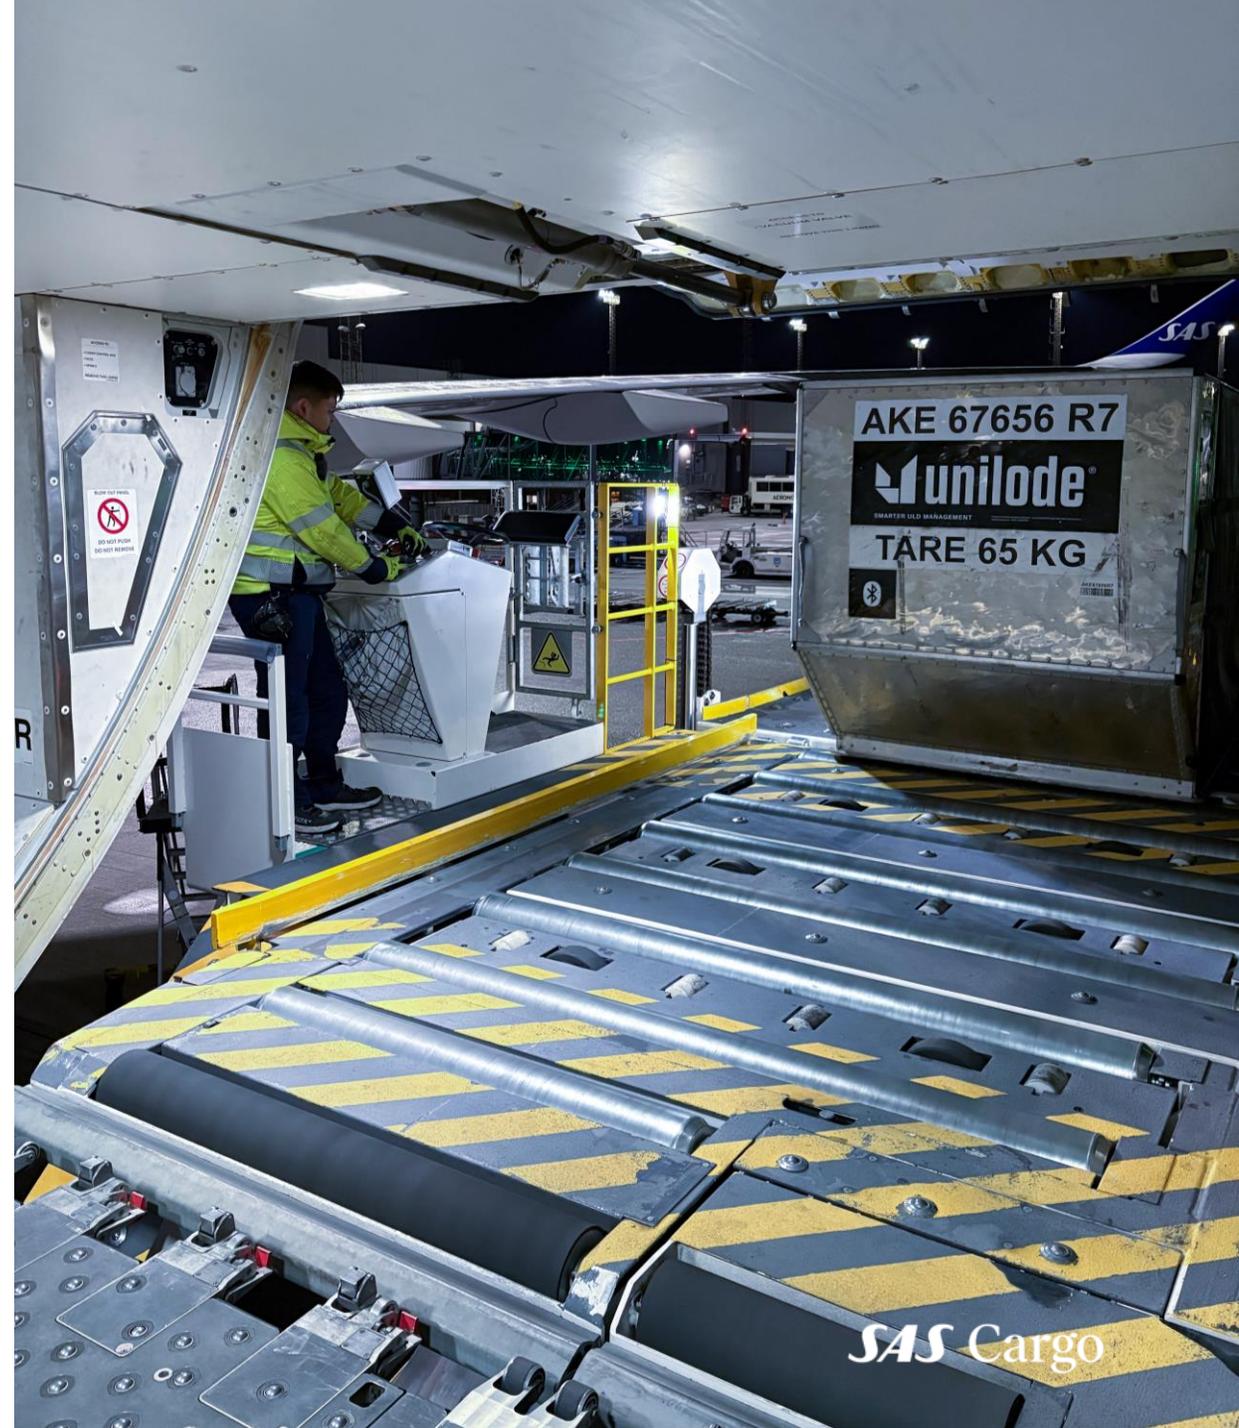

Global availability and routing

Long-haul routes

- All SAS Cargo long-haul routes, except for Asia to Scandinavia

Short-haul and regional connectivity

- Available on short-haul flights and trucks (RFS) only when connected to a long-haul flight (e.g., FRA-CPH-EWR or DFW-ATL-CPH)

Basic in comparison to General and Priority

Compare Basic with our two other service levels to see how you can best optimize your logistics. By planning your shipments with Basic, you get a cost-effective solution, while General and Priority offer increased flexibility as your needs change

Product	Rebooking flight and date	Terminal handling	Load priority	Booking options
SAS Priority Cargo	Fully flexible	120 – 160 min	Best	Online and Customer Support team
SAS General Cargo	Fully flexible	180 – 300 min	Better	Online and Customer Support team
SAS Basic Cargo	Terms apply for no-show and cancellation	180 – 300 min	Good	Online

Transparency for your planning

We provide you with full control over your bookings with transparent terms and no hidden fees.

With Basic, you benefit from free cancellation on all shipments up to **3 days** before the scheduled departure

Cancellation fee for SAS Basic Cargo Customer-initiated cancellation of AWB and/or segments prior to Latest Acceptance Time (LAT)	Chargeable weight	More than 72 hours before LAT of first leg	72 to 49 hours before LAT of first leg	48 hours or less before LAT of first leg

Questions and answers

Question	Answer
Which routes will Basic be available on?	All SAS Cargo long-haul routes, except for those from Asia to Scandinavia
Will Basic be available on short-haul?	Yes, but only in connection with long-haul flights, e.g., FRA–CPH–EWR or DFW–ATL–CPH
Can I rebook my Basic booking to another day?	Yes, if Basic is available on the new date, but it may be priced differently than the original booking. If Basic is not available you can rebook to General or Priority
Can I change my Basic booking to General or Priority?	Yes, but the conditions from the original Basic booking remain in effect
Can I change the weight or volume of a Basic booking?	Yes, but it may be priced differently than the original booking
Is Basic always available?	Generally, it is, subject to demand, but it will close near the departure date. Furthermore, certain flights, dates or routes may be excluded
Can I cancel or be a no-show?	Yes, but Basic bookings are subject to cancellation or no-show fees, applied to the originally booked product and chargeable weight, that are assessed based on time-to-departure and shipment weight break
Can I book specials?	No, Basic is a product intended for general cargo
What are the LAT and TOA?	They are the same as for General
Can I request a spot rate for my Basic booking?	No, the pricing offered at the time of booking is our lowest offer for this product
