SAFETY DATA SHEET

This safety data sheet was created pursuant to the requirements of:
US OSHA Hazard Communication Standard 2024 (29 CFR 1910.1200)

Issuing Date 09.11.2026 **Revision date** 09.11.2026 **Revision Number** 1.0

1. Identification

Product Identifier

Product Name OFF!® DEEP WOODS® MAX INSECT REPELLENT I (EPA Reg. No. 4822-564)

Other means of identification

Product Code(s) 208924

Reference number 350000017395

Recommended use of the chemical and restrictions on use

Recommended use Insect Repellent.

Restrictions on use No information available.

Details of the supplier of the safety data sheet

Manufacturer, importer, supplier : S.C. Johnson & Son, Inc.
1525 Howe Street,
Racine WI 53403-2236

Telephone : +1 8005585252

Emergency telephone : 24 Hour Medical Emergency Phone: (866)231-5406 24 Hour Transport Emergency Phone: (800)424-9300

2. Hazard(s) identification

Classification

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

Label elements

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.1200)

Other Information

Other hazards No information available.

3. Composition/information on Ingredients

Substances

Not applicable

Mixtures

4. First-aid measures

Description of first aid measures

Inhalation Remove to fresh air.

Eye Contact Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician.

Skin Contact Wash skin with soap and water.

Ingestion Rinse mouth.

Most Important Symptoms and Effects, Both Acute and Delayed

Symptoms No information available.

Indication of Any Immediate Medical Attention and Special Treatment Needed

Note to physicians Treat symptomatically.

5. Fire-Fighting Measures

Suitable Extinguishing Media Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

Unsuitable Extinguishing Media Do not scatter spilled material with high pressure water streams.

Specific Hazards Arising from the Chemical No information available.

Special protective equipment and precautions for fire-fighters .
Fight fire from maximum distance or protected area.. Cool and use caution when approaching or handling fire-exposed containers.. Wear full protective clothing and positive pressure self-contained breathing apparatus.. In case of fire and/or explosion do not breathe fumes..

6. Accidental Release Measures

Personal precautions, protective equipment and emergency procedures

Personal Precautions Ensure adequate ventilation.

Methods and material for containment and cleaning up

Methods and material for containment and cleaning up Pick up and transfer to properly labeled containers. Prevent further leakage or spillage if safe to do so.

7. Handling and Storage

Precautions for safe handling

Advice on safe handling Handle in accordance with good industrial hygiene and safety practice.

General Hygiene Considerations Handle in accordance with good industrial hygiene and safety practice.

Conditions for safe storage, including any incompatibilities

Storage Conditions Keep container tightly closed in a dry and well-ventilated place.

8. Exposure Controls/Personal Protection

Control Parameters

Exposure Limits This product, as supplied, does not contain any hazardous materials with occupational exposure limits established by the region specific regulatory bodies.

Biological occupational exposure limits This product, as supplied, does not contain any hazardous materials with biological limits established by the region specific regulatory bodies.

Appropriate Engineering Controls

Engineering controls Showers; Eyewash stations; Ventilation systems.

Individual protection measures, such as personal protective equipment

Eye/face protection No special protective equipment required.

Skin and body protection No special protective equipment required.

Respiratory Protection No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.

9. Physical and chemical properties

Information on basic physical and chemical properties

Physical State Aerosol.
Appearance aerosol.

Color translucent. to. light yellow.
Odor solvent.
Odor threshold No information available.

Property	Values	Remarks • Method
Melting point / freezing point	/	Test not applicable for this product type
Boiling point (or initial boiling point or boiling range)	/	Test not applicable for this product type
Flammability	No data available	None known
Flammability Limit in Air		
Upper flammability or explosive limits		, Test not applicable for this product type
Lower flammability or explosive limits		, Test not applicable for this product type
Flash point	>= 21 °C / >= 70 °F	
Flash point	-7 °C / 19 °F	Propellant
Autoignition temperature	No data available	None known
Decomposition temperature	No data available	None known
SADT (°C)	No data available	None known
pH	10.4	/
Kinematic viscosity		/ Test not applicable for this product type
Dynamic viscosity		/ Test not applicable for this product type
Water solubility		/ slightly soluble

Solubility	No data available	None known
Partition coefficient n-octanol/water (log value)		/ Test not applicable for this product type
Vapor pressure		/ Test not applicable for this product type
Evaporation rate		Test not applicable for this product type
Relative density	No data available	None known
Bulk density	No data available	None known
Liquid Density	0.86 g/cm3	@ 21 °C / 70 °F
Relative vapor density		/ Test not applicable for this product type
Particle characteristics		
Particle Size	No data available	None known
Particle Size Distribution	No data available	None known

Other Information

Volatile organic compounds Total VOC (wt. %)*	64.7 %. - additional exemptions may apply *as defined by US Federal and State Consumer Product Regulations
Oxidizing Properties	Test not applicable for this product type.

10. Stability and Reactivity

Reactivity	No information available.
Chemical stability	Stable under normal conditions.
Possibility of Hazardous Reactions	None under normal processing.
Conditions to Avoid	None known based on information supplied.
Incompatible Materials	None known based on information supplied.
Hazardous Decomposition Products	None known based on information supplied.

11. Toxicological Information

Information on likely routes of exposure

Product Information

Inhalation	Specific test data for the substance or mixture is not available.
Eye Contact	Specific test data for the substance or mixture is not available.
Skin Contact	Specific test data for the substance or mixture is not available.
Ingestion	Specific test data for the substance or mixture is not available.

Symptoms related to the physical, chemical and toxicological characteristics

Symptoms No information available.

Delayed and immediate effects as well as chronic effects from short and long-term exposure

Unless specifically noted, no alternative information or methods were used to derive toxicology information

Acute Toxicity No information available.

Numerical measures of toxicity
No information available.

Oral	Dermal	Inhalation
LD50 Oral: > 5,050 mg/kg - Rat	LD50 Dermal: > 5,020 mg/kg - Rabbit	Inhalation LC50: > 30.2 mg/l

Skin Corrosion/Irritation No information available.

Serious eye damage/eye irritation No information available.

Skin Sensitization No information available.

Respiratory sensitization No information available.

Germ Cell Mutagenicity No information available.

Carcinogenicity No information available.

Reproductive toxicity No information available.

STOT - single exposure No information available.

STOT - repeated exposure No information available.

Aspiration Hazard No information available.

Other adverse effects No information available.

12. Ecological Information

Ecotoxicity The environmental impact of this product has not been fully investigated.

Persistence and degradability

Persistence and degradability No information available.

Bioaccumulative potential

Bioaccumulation There is no data for this product.

Other adverse effects No information available.

13. Disposal considerations

Disposal methods

Waste from residues/unused products Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation.

Contaminated Packaging Do not reuse empty containers.

14. Transport information

DOT Not regulated

IATA Not regulated

IMDG Not regulated

15. Regulatory Information

FIFRA Labeling

This chemical is a pesticide product registered by the Environmental Protection Agency and is subject to certain labeling requirements under federal pesticide law. These requirements differ from the classification criteria and hazard information required for safety data sheets, and for workplace labels of non-pesticide chemicals.

Following is the hazard information as required on the pesticide label:

WARNING:
Causes substantial but temporary eye injury.
Use of this product may cause skin reactions in rare cases.
Flammable
Contents under pressure.
Exposure to temperatures above 130° F may cause bursting

US Federal Regulations

SARA 311/312 Hazard Categories
Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications.

CWA (Clean Water Act)
This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42).

CAA (Clean Air Act)
This product does not contain any substances regulated as pollutants pursuant to Clean Air Act (CAA).

CERCLA
This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material.

US State Regulations

U.S. State Right-to-Know Regulations

This product does not contain any substances regulated under applicable state right-to-know regulations.
