

## **Giving toys and items to the Chicago Shriners Hospital**

New latex-free toys, art supplies and other in-kind gifts support programs throughout the hospital and encourage our patients. We ask donors to fill out an In-Kind Donation form when they deliver to the hospital. Our hospital gratefully accepts donations of new, latex-free items. Unfortunately, we **cannot** accept used toys, used car seats, and used medical equipment. **To learn more about the hospital's current needs or arrange a larger donation, please contact:**

Mary McCauley Donations Coordinator
