

Prisoner property

Prisoner property arrangements differ depending on whether the prisoner is on the male or female side of the prison.

For prisoners on the male side, property must be brought into the prison in person and accompanied by a valid property log number. We are unable to accept property parcels sent through the post for male prisoners.

For prisoners on the female side, property can either be brought into the prison with a valid property log number or sent through the post.

Parcels need to fit these dimensions:

- Height = 28.5cm (285mm)
- Width = 40cm (400mm)
- Length = 60cm (600mm)

Books

We accept books for prisoners sent directly from friends or family, or via our approved retailers.

These are Waterstones, WH Smith and prisons.org.uk

We **do not** accept books purchased via Amazon.

All books are subjected to security protocols and must be sent separately - they cannot be accepted as part of a property parcel.

Books need to be marked clearly with the name of the prisoner and their prisoner number.

Flowers

We can only accept flowers sent via our approved supplier - Fleur by Lizz

You can contact them to place an order by calling 01733 311159 or on their website www.fleurbylizz.co.uk

We cannot accept deliveries of flowers from any other provider.

Food parcels

We do not accept food parcels addressed to prisoners.

Amazon parcels

We do not accept Amazon parcels addressed to prisoners.
