Alice Guéhennec

Group Chief Tech, Data & Digital Officer

Alice is Group Chief Tech, Data & Digital Officer and a member of the Group Leadership Team since August 2023.

Alice was Chief Information & Digital Officer for Sodexo France and Western Europe from 2016 to 2019. For more than 3 years, she has worked on the Group's digital transformation through various innovative projects.

With over 20 years' experience in management consulting (*EY, Cap Gemini, Accenture*) and in Information Systems Departments such as in the *Préfecture de Police de Paris*, Alice has led major digital and IT transformation missions and has developed strong knowledge in organization transformation thanks to operational implementation of information systems.

More recently, Alice was Group Chief Digital & Information Officer at *Saur Group* and a member of the Executive Committee. In this role, she defined the digital strategy and led the digital transformation program to meet Saur growth and CSR challenges.

Since 2022, Alice has also been Vice-Chairwoman of *Cigref*, the association representing the largest French companies using digital solutions and services.

Alice holds a Master Degree in Computer Science of the *University of Technology in Compiègne* (France).

Alice is a French citizen. She speaks French, English and Spanish.
