None

Subscription Keys

These Subscription keys are used for accessing external services.

Token	Key	Expiry	
API Key	22846de6-cdf1-4a34-81eb-731bd9769	Never	

Data Platform API Tokens

Data Platform API tokens are used to authenticate with the Data Platform API. They allow you to programmatically access and manage datasets, resources, and other platform features.

* Name:

Create API Token

You haven't created any API Tokens.

Step 4: Click on API tokens to find your API key – this has been automatically generated and linked to your profile.

You can now access any API on the portal
