

Transport Victoria Open Data Portal

How to find your API key

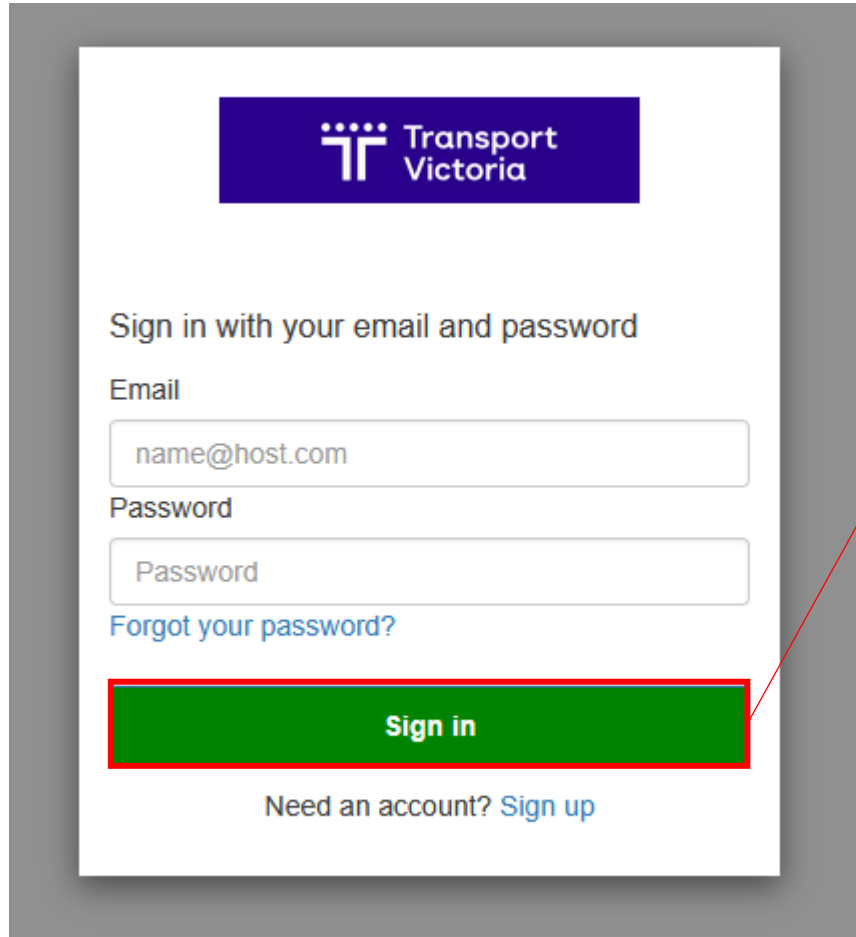

The screenshot shows the Transport Victoria Open Data Portal homepage. The top navigation bar is dark blue with the Transport Victoria logo on the left and 'OpenData' in a white pill-shaped button. In the top right corner, there are two buttons: 'Login' (with a person icon) and 'Help and support' (with a question mark icon). The 'Login' button is highlighted with a red rectangular box. A red arrow points from this box to a callout box on the right. Below the navigation bar, there are links for 'Data Collections', 'About', 'News and Updates', and 'Showcases'. The main content area features the title 'Transport Victoria Open Data Portal' and a subtitle 'Easy access to a wide range of Victorian transport datasets, available to everyone who wants it.' Below this is a large image of a city street scene with a tram, buses, and people. At the bottom, there is a search bar with the placeholder text 'Search Data Collection' and a 'Search' button.

Step 1: Click the “Login” button in the top right corner of the portal

Transport Victoria Open Data Portal

How to find your API key

The screenshot shows the Transport Victoria Open Data Portal interface. The top navigation bar includes the Transport Victoria logo, an 'OpenData' button, and a 'My Account' dropdown menu. The 'My Account' dropdown menu is open, showing options: 'Dashboard', 'Profile' (highlighted with a red box), 'Account settings', and 'Log out'. Below the navigation bar, there are links for 'Data Collections', 'About', 'News and Updates', and 'Showcases'. The main content area features the title 'Transport Victoria Open Data Portal' and a subtitle: 'Easy access to a wide range of Victorian transport datasets, available to everyone who wants it.' At the bottom, there is a search bar with the placeholder text 'Search Data Collection' and a 'Search' button.

Step 3: When you are logged in, click the “My Account” button and selection the “Profile” option in the dropdown list

Transport Victoria Open Data Portal

How to find your API key

The screenshot shows the user profile page on the Transport Victoria Open Data Portal. The page has a dark blue header with the Transport Victoria logo, 'OpenData' button, and navigation links for 'My Account' and 'Help and support'. Below the header is a secondary navigation bar with links for 'DEV - Data', 'Blog', 'My Page', 'Showcases', and 'About'. The main content area is divided into a left sidebar and a main panel. The sidebar contains user statistics: 0 Followers, 8 Data Collections, Username, Email Private, Member Since (10 September 2024), Last Active (4 minutes ago), State (active), and API Key Private (None). The main panel has tabs for 'Data Collections', 'API Tokens', and 'Activity Stream', with a 'Manage' button. The 'API Tokens' tab is active, showing a 'Subscription Keys' section with a table of keys. A red box highlights the table, which contains one row with the following data:

Token	Key	Expiry	
API Key	22846de6-cdf1-4a34-81eb-731bd9769	Never	

Below the table is a 'Data Platform API Tokens' section with a description, a form for creating a new token (with a label '* Name:'), a 'Create API Token' button, and a message stating 'You haven't created any API Tokens.'

Step 4: Click on API tokens to find your API key – this has been automatically generated and linked to your profile.

You can now access any API on the portal.

Tip: The API Key is to be used in the request header. The header name is 'KeyID'.
