

## Previous driving experience

This form is to be used to apply for an exemption from the 120 hours of supervised driving on **the basis of previous driving experience**.

Visit [transport.vic.gov.au](https://transport.vic.gov.au) and search '120 hours of supervised driving exemption' for more information about the process and requirements to apply for this exemption.

**To be issued with a Victorian driver licence, you must be 18 years or over.**

Exemptions will only be granted having regard to your driving experience and circumstances to which it was obtained and we are satisfied that road safety is not compromised. Any exemption granted may result in conditions imposed on the person's driver licence for a specified period which:

- (a) limit the carriage of passengers
- (b) limit routes of travel
- (c) restrict driving to specified times of the day
- (d) restrict driving to specified days of the week.

**Note:** You are unlikely to obtain an exemption from the 120 hours of supervised driving unless you have a clean driving record.

**Confirmation that an exemption has been granted by VicRoads must be obtained prior to making an appointment to take a Victorian licence drive test.**

## Who is eligible to apply for an exemption?

To be eligible to apply for an exemption, you must have held a current and valid learner permit issued on or after 1 July 2007 and be under the age of 21 at the time of application for a probationary licence.

## When should an exemption be applied for?

An application for this exemption can be made if you are requesting acknowledgment of your previous driving experience (interstate and overseas experience is considered).

## What documentation must be provided?

To support the application you need to provide documentation that will support your previous driving experience.

You also need to provide any documented evidence of existing driving experience. This must be in the form of scanned copies from the Learner Log Book (interstate or overseas log book is accepted) or a statutory declaration from you and accompanying supervising drivers stating the amount of supervised driving experience you have obtained (if an interstate or overseas learner driver and your jurisdiction does not have the equivalent of a learner log book). If scanned copies from the Learner Log Book are being provided, these must be certified by a relevant authority.

## Submit application

You need to download this form and fill in the correct sections.

The form will need to be uploaded to [vicroads.vic.gov.au](https://vicroads.vic.gov.au) along with the supporting documentation to support your exemption application.

Once the application is submitted, you will receive a confirmation email from VicRoads.

## Outcome of the application

You will be contacted within 15 working days of submitting your application.

If you have not been contacted you can call 13 11 71 with your learner permit number and the exemption application number for more information.

**If your driver licence is cancelled or suspended, any exemption may be withdrawn. This will have an impact on your licence when it is reissued or the suspension ends. If we decide to withdraw the exemption, you will be notified in writing and given an opportunity to show why you should be permitted to retain the exemption. If you don't respond to the notice within the required time, the exemption will be withdrawn without further notice.**

**Please note it is your responsibility to make copies of your Learner Log Book as you go. You may not receive an exemption based on a lost, stolen or destroyed log book.**
