

Drug Names

If you hear employees mention a name and you wonder whether they are talking about a drug, you can use the Alcohol and Drug Foundation's 'Get the effects by text!' SMS service to find out.

The service provides reliable information about different drugs and their effects, wherever you are.

Simply text a drug name (it can be the street/slang name) you want to know about to 0439 TELL ME (0439 835 563).

Normal text message charges will apply.
