

Purpose of the Application

This Application commences Department of Transport and Planning's review of a **Traffic Signal Plan** for Externally Funded Works. Applicants must ensure that the Application is complete by providing the information requested in **all** fields below (where relevant), and by supplying **all** supporting files as an attachment to the Application

Application Reference Number

Please use the number provided by DTP following submission of the Application for Functional Design Review. IF YOU **DO NOT** HAVE AN APPLICATION REFERENCE NUMBER, PLEASE COMPLETE PAGES 2,3 AND 4 OF THIS APPLICATION FORM WHERE YOU MAY PROVIDE DETAILS OF YOUR APPLICATION

Mandatory information to accompany Application

The Applicant/Consultant **must** attach the following information to the Application;

Attached?

An endorsed Functional Layout Plan

A Traffic Signal Plan meeting DTP standards

A traffic impact assessment report

A completed swept paths review

A street lighting plan

A service proving report and plan

A scope report

A detector map

A completed SIDRA

Note: If any of this mandatory information is not included, please provide a brief explanation below

Other Information

Provide any other information relevant to the Application

Notes:

- 1) Applicants are encouraged to contact the Department of Transport and Planning Traffic Signals Team to discuss any aspect of the commentary provided on the Application
- 2) All drawings must meet Department of Transport and Planning Standards "Final Drawing Presentation Guidelines (July 2020)"

Application for External Works - Traffic Signals

ABN 61 760 960 480

Applicant Details

ONLY COMPLETE THIS PAGE IF YOU HAVE **NOT** PREVIOUSLY SUBMITTED A FUNCTIONAL LAYOUT PLAN AND **DO NOT** HAVE AN APPLICATION REFERENCE NUMBER PROVIDED BY DTP.

Applicant contact details

Council Applicant details

(If a Council is the Applicant, please provide contact details)

Council Name	
Applicant Contact Name	
Applicant Phone Number	Applicant Email

Developer / Other Applicant details

(If a Developer is the Applicant, please provide contact details)

Applicant Business Name	
Applicant Business ABN	
Applicant Address	
Applicant Contact Name	
Applicant Phone Number	Applicant Email

Consultant details

(Provide details of the consultant preparing the Functional Layout Plan on behalf of the Non-Council or Council Applicant)

Consultant Business Name	
Consultant Business ABN	
Consultant Address	
Consultant Contact Name	
Consultant Phone Number	Consultant Email

MoA Contact details

(Provide details of the contact person for the Memorandum of Authorisation (MoA) for permanent traffic control devices)

Name	
Position Title	
Organisation Name	
Address	
Phone Number	Email

Applicant Details

ONLY COMPLETE THIS PAGE IF YOU HAVE **NOT** PREVIOUSLY SUBMITTED A FUNCTIONAL LAYOUT PLAN AND **DO NOT** HAVE AN APPLICATION REFERENCE NUMBER PROVIDED BY DTP.

Description of proposed works

Works Location

Provide summary details of the works including;

- 1) Address of Works
- 2) Plan Number
- 3) Road Type
- 4) Latitude/Longitude
- 5) Municipality
- 6) Any other information that will assist Department of Transport and Planning to determine the precise location of the proposed works

Design Summary

- Provide a summary of the proposed works.
- ~~BWSW~~ Indicate which of the following job types are:
 1. Access (all types of access eg Left in/left out, crossovers etc)
 2. Bicycle
 3. Bridge
 4. Drainage (all culvert and drain work)
 5. Intersection – All non-signalised intersections

Design elements not meeting VicRoads standards and Austroads Standards

List elements of the design which do not meet VicRoads and Austroads Standards.

Where there are non-standard elements, please provide information on how risks are being effectively managed.

Application for External Works - Traffic Signals

Applicant Details (Continued)

ONLY COMPLETE THIS PAGE IF YOU HAVE **NOT** PREVIOUSLY SUBMITTED A FUNCTIONAL LAYOUT PLAN AND **DO NOT** HAVE AN APPLICATION REFERENCE NUMBER PROVIDED BY DTP.

Estimated construction timeframe

Provide current estimates of start and finish timeframes for the works	Start Date (Month/Year)	Finish Date (Month/Year)
--	----------------------------	-----------------------------

Estimated value of works

Provide the current estimate of the value of the proposed works	
---	--

Other Information

Provide any other information relevant to the Application	
---	--

Instructions to Submit Application

All Applications must be submitted to the appropriate Regional DTP office. See website for details.

This form is your Application for a Traffic Signal Plan Review. Please ensure that all mandatory documentation/actions are attached to your Application. If the Application requires additional information, the Applicant will be contacted by an authorised DTP representative to discuss what additional information is required to support the Application.

An Application Reference Number has been provided by DTP following submission of the Application for Functional Design Review. Please include this Reference Number on this Application if available.

Please note that the Applicant will be required to submit additional Application Forms for subsequent stages of the review and certification of proposed Works.

Privacy statement

Personal information VicRoads collects from you may be used by VicRoads as permitted by the Road Safety Act 1986 and the Marine Safety Act 2010. VicRoads may disclose personal information it collects from you to various organisations and persons as permitted by law, particularly by the Road Safety Act 1986.

Personal information may be disclosed to contractors and agents of VicRoads, law enforcement agencies, other road and traffic authorities, the Transport Accident Commission, vehicle manufacturers (for safety recalls), road safety researchers, courts and other organisations or people authorised to use the personal information. Failure to provide the information may result in this form not being processed, or records not being properly maintained. For further information about our use of your personal information and your right of access to it, see VicRoads brochure Protecting your privacy or contact VicRoads on 13 11 71.

Providing false and/or misleading information or documents is an offence under the Road Safety Act 1986 and/or Marine Safety Act 2010 and can result in you being fined or imprisoned.

Any authority or approval, given as a result of you providing such information/documents, may be reversed and have no effect.

Declaration

By signing this form, the Applicant or Consultant declares that;

- the information in this form and related supporting documents is true, correct and complete to the extent possible
- the Applicant understands the privacy statement
- the Applicant has read and understood the Terms and Conditions of the Consent for Works that will form a binding agreement between the parties executing the works
- the Applicant takes full responsibility for any loss, damage or claim caused by any false statement or misrepresentation made on this declaration, and the Applicant indemnifies VicRoads and holds it harmless in respect of any such loss, damage or claim.
