Suncoast Credit Union breaks ground on high-tech Dade City service center

Innovative, eco-friendly branch will serve growing eastern Pasco County

DADE CITY, Fla. (June 1, 2026) – As Pasco County’s growth accelerates, Suncoast Credit Union broke ground in late May on a new Dade City service center, furthering access to affordable products and trusted financial services in one of Florida’s fastest-growing regions.

The project represents a relocation of the current Dade City branch, which will transition to the new location once construction is complete.

At 4,600 square feet, the new service center at [13274 U.S. Highway 301](#) will be one of the largest in the Suncoast system. It will also be the credit union’s most technologically advanced branch, featuring sound-dampening materials for greater privacy, nine enclosed offices for private member meetings and a massive 105-inch LED see-through screen separating the lobby and waiting area from the teller area.

In addition, it will offer amenities credit union members expect including competitive and first-time homebuyer mortgages, business loans, a coin machine and several walk-up/drive thru interactive teller machines.

Suncoast is incorporating environmental considerations into the project, including outfitting the building with solar panels. For every tree removed during construction, three trees will be replanted on the property.

Construction is expected to be completed by early 2027.

Suncoast leadership, local dignitaries and community members were on hand during the May 20 groundbreaking to usher in a new chapter for Suncoast Credit Union in Dade City.

“This groundbreaking has tremendous meaning for the Dade City community,” said Kevin Johnson, President and CEO of Suncoast Credit Union. “Not only does it represent a new beginning for Suncoast in Dade City, but it also represents our continued commitment to investing in the wonderful communities we serve through affordable products and our member-first mission.”

La Macchia Group, a bank and credit union design firm, is overseeing the service center project.

Suncoast Credit Union operates six other branches in Pasco County.

About Suncoast Credit Union

Suncoast Credit Union is the largest credit union in the state of Florida, the 7th largest in the United States based on membership, and the 10th largest in the United States based on its \$20.7 billion in assets. Chartered in 1934 as Hillsborough County Teachers Credit Union, Suncoast Credit Union currently operates 80 full-service branches and serves nearly 1.4 million members across Florida. As a community credit union, anyone who lives, works or attends school in Suncoast Credit Union's service area is eligible for membership. In 2021, Suncoast Credit Union's field of membership was expanded to include public K-12 teachers, college educators and educational support staff from all of Florida's 67 counties. Suncoast is passionate about community support. Since its founding in 1990, the Suncoast Credit Union Foundation has raised and donated more than \$61 million to organizations and initiatives that support the health, education and emotional well-being of children in the communities that the credit union serves.
