While Suncoast's physical presence in the county is new, its membership base is not. **Service center features include:**

- [Mortgage and home equity](#) application support

- Personalized financial solutions

"The opening of our Ocala service center is about being there for the people and families who call Marion County home," said Kevin Johnson, president and CEO of Suncoast Credit Union.

"We believe strong communities are built when people have the financial tools, support and opportunities to achieve their goals. Through financial education, meaningful community partnerships and greater access to trusted financial services, we're here to help our neighbors build brighter futures for themselves and their families."

Prior to the opening, Suncoast leaders and team members actively engaged with the Marion County community through partnerships with the Public Education Foundation of Marion County, Take Stock in Children, local chambers of commerce and education-focused events.
