Sutter Health **Virtual Grand Rounds**

Normal Pressure Hydrocephalus: Real, Underrecognized and Undertreated

Wednesday, November 11, 2026 12-1pm

Travis Urban, M.D.
Sutter West Bay Medical Group

Target Audience
Primary care, neurology, neurosurgery, geriatrics and rehabilitation physicians, advanced practice clinicians and all interested healthcare providers are welcome.

Learning Objectives
- Describe the natural history and typical symptoms of normal pressure hydrocephalus (NPH), including overlap with other neurodegenerative conditions.
- Identify classic neuroimaging features associated with NPH.
- Apply an appropriate diagnostic evaluation and interpret findings for patients with suspected NPH.
- Evaluate current evidence supporting shunt treatment for NPH, including reported complication rates.

Register
To register or to learn more, please visit **sutterhealth.org/shvgr**.

How To Join
Visit our website or use this information to join the seminar on the day of the event:

Meeting link: meetsutter.zoom.us
Meeting ID: 967 5014 3901
Passcode: 626504

Continuing Education Units are not guaranteed for each event.
All registered attendees will receive notification of eligibility.
