* All Sutter Health Plan plans prescription drug coverage is, on average, expected to equal or exceed the standard Medicare Part D benefit value. This is considered creditable coverage. Since this coverage is creditable, Medicare-eligible individuals do not have to enroll in a Medicare prescription drug plan while they maintain this coverage. Be aware, however, that if the individual has a subsequent break in this coverage of 63 days or longer any time after they were first eligible to enroll in a Medicare prescription drug plan, the individual could be subject to a late enrollment penalty in addition to the Medicare Part D premium.

Binding Arbitration

Sutter Health Plan handles and resolves member disputes through grievance, appeal and independent medical review processes. However, in the event that a dispute is not resolved in those processes, Sutter Health Plan uses binding arbitration as the final method for resolving all such disputes.

As a condition of your membership in Sutter Health Plan, you agree that any and all disputes between yourself (including any heirs or assigns) and Sutter Health Plan, including claims of medical malpractice (that is as to whether any medical services rendered under the health plan were unnecessary or unauthorized or were improperly, negligently or incompetently rendered), except for small claims court cases and claims subject to ERISA, shall be determined by binding arbitration. Any such dispute will not be resolved by a lawsuit or resort to court process, except as California law provides for judicial review of arbitration proceedings. You and Sutter Health Plan, including any heirs or assigns to this Agreement, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of binding arbitration.

I hereby agree to give up my/our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the Individual and Family Plan Subscriber Contract and EOC.

Qualifying Events for Special Enrollment

You may enroll or change your coverage outside of the annual enrollment period if you meet one of the requirements for a qualifying event. To be considered eligible in most cases, your application for coverage due to a qualifying event must occur within 60 days of the qualifying event. An eligible individual or dependent who experiences a loss of minimum essential coverage has 60 days prior to and 60 days following the loss of coverage to enroll. Unless otherwise indicated, coverage will become effective the first day of the month following receipt of the application.

The monthly premium rate is determined based on the member's age as of the coverage effective date. It's important to note individual and family plans follow a calendar year cycle and will renew on January 1 of the following year, regardless of the initial effective date. When coverage renews, the renewal rate is based on the member's age as of January 1 of the new plan year.

Instructions: Select the applicable qualifying/triggering event below and complete the qualifying event details section. Be sure to sign and date the attestation and submit this form along with your Healthcare Coverage Application/Enrollment/Change Form and first month's premium (if applicable).
