Accessing Care

Sutter Health Plan offers access to care when and where you need it. Whether you're scheduling a routine visit, connecting with a clinician virtually or seeking care right away, you have convenient options.

Your primary care physician (PCP) is your main point of contact for your healthcare needs. They will help coordinate your care, including referrals to specialists, X-rays, lab work and other services when needed.

Nurse Advice Line | 855-836-3500

The Sutter Health Plan Nurse Advice Line is available 24/7 to help answer questions about medical problems. Registered nurses can help you determine the right level of care for your health needs.

Care Centers

You have access to conveniently located care centers that provide a wide variety of services. These may include primary care, specialty care, lab and X-ray — all under one roof.

Sutter Walk-In Care

In the Greater Sacramento Area, members 18 months and older have access to Sutter Walk-In Care for simple, everyday health needs.

For a list of Sutter Walk-In Care locations, visit sutterhealthplan.org/walk-in.

Video Visits

You have flexible options for video visits* through MHO for most of your healthcare needs.

- **24/7 On-Demand With a Sutter Clinician (no appointment needed)**
Start a video visit with the next available Sutter clinician, available for members age 18 months and older.
- **Schedule With Your PCP¹**
Available for members age 3 months and older.
- **Book With a Sutter Clinician**
Available for members age 18 months and older.

For more information, visit sutterhealth.org/video-visits.

Urgent Care

For same-day care that’s not an emergency, urgent care² is available for mild to moderate illnesses and injuries that require immediate attention.

For a list of urgent care centers near you, visit sutterhealthplan.org/urgent.

Hospital Care

You have access to a network of hospitals that provide advanced, comprehensive care, including 24/7 emergency care³, acute care, specialized programs, and outpatient services⁴.

For a list of hospitals near you, visit sutterhealthplan.org/find-location.

* You must be physically located in California at the time of your video visit.

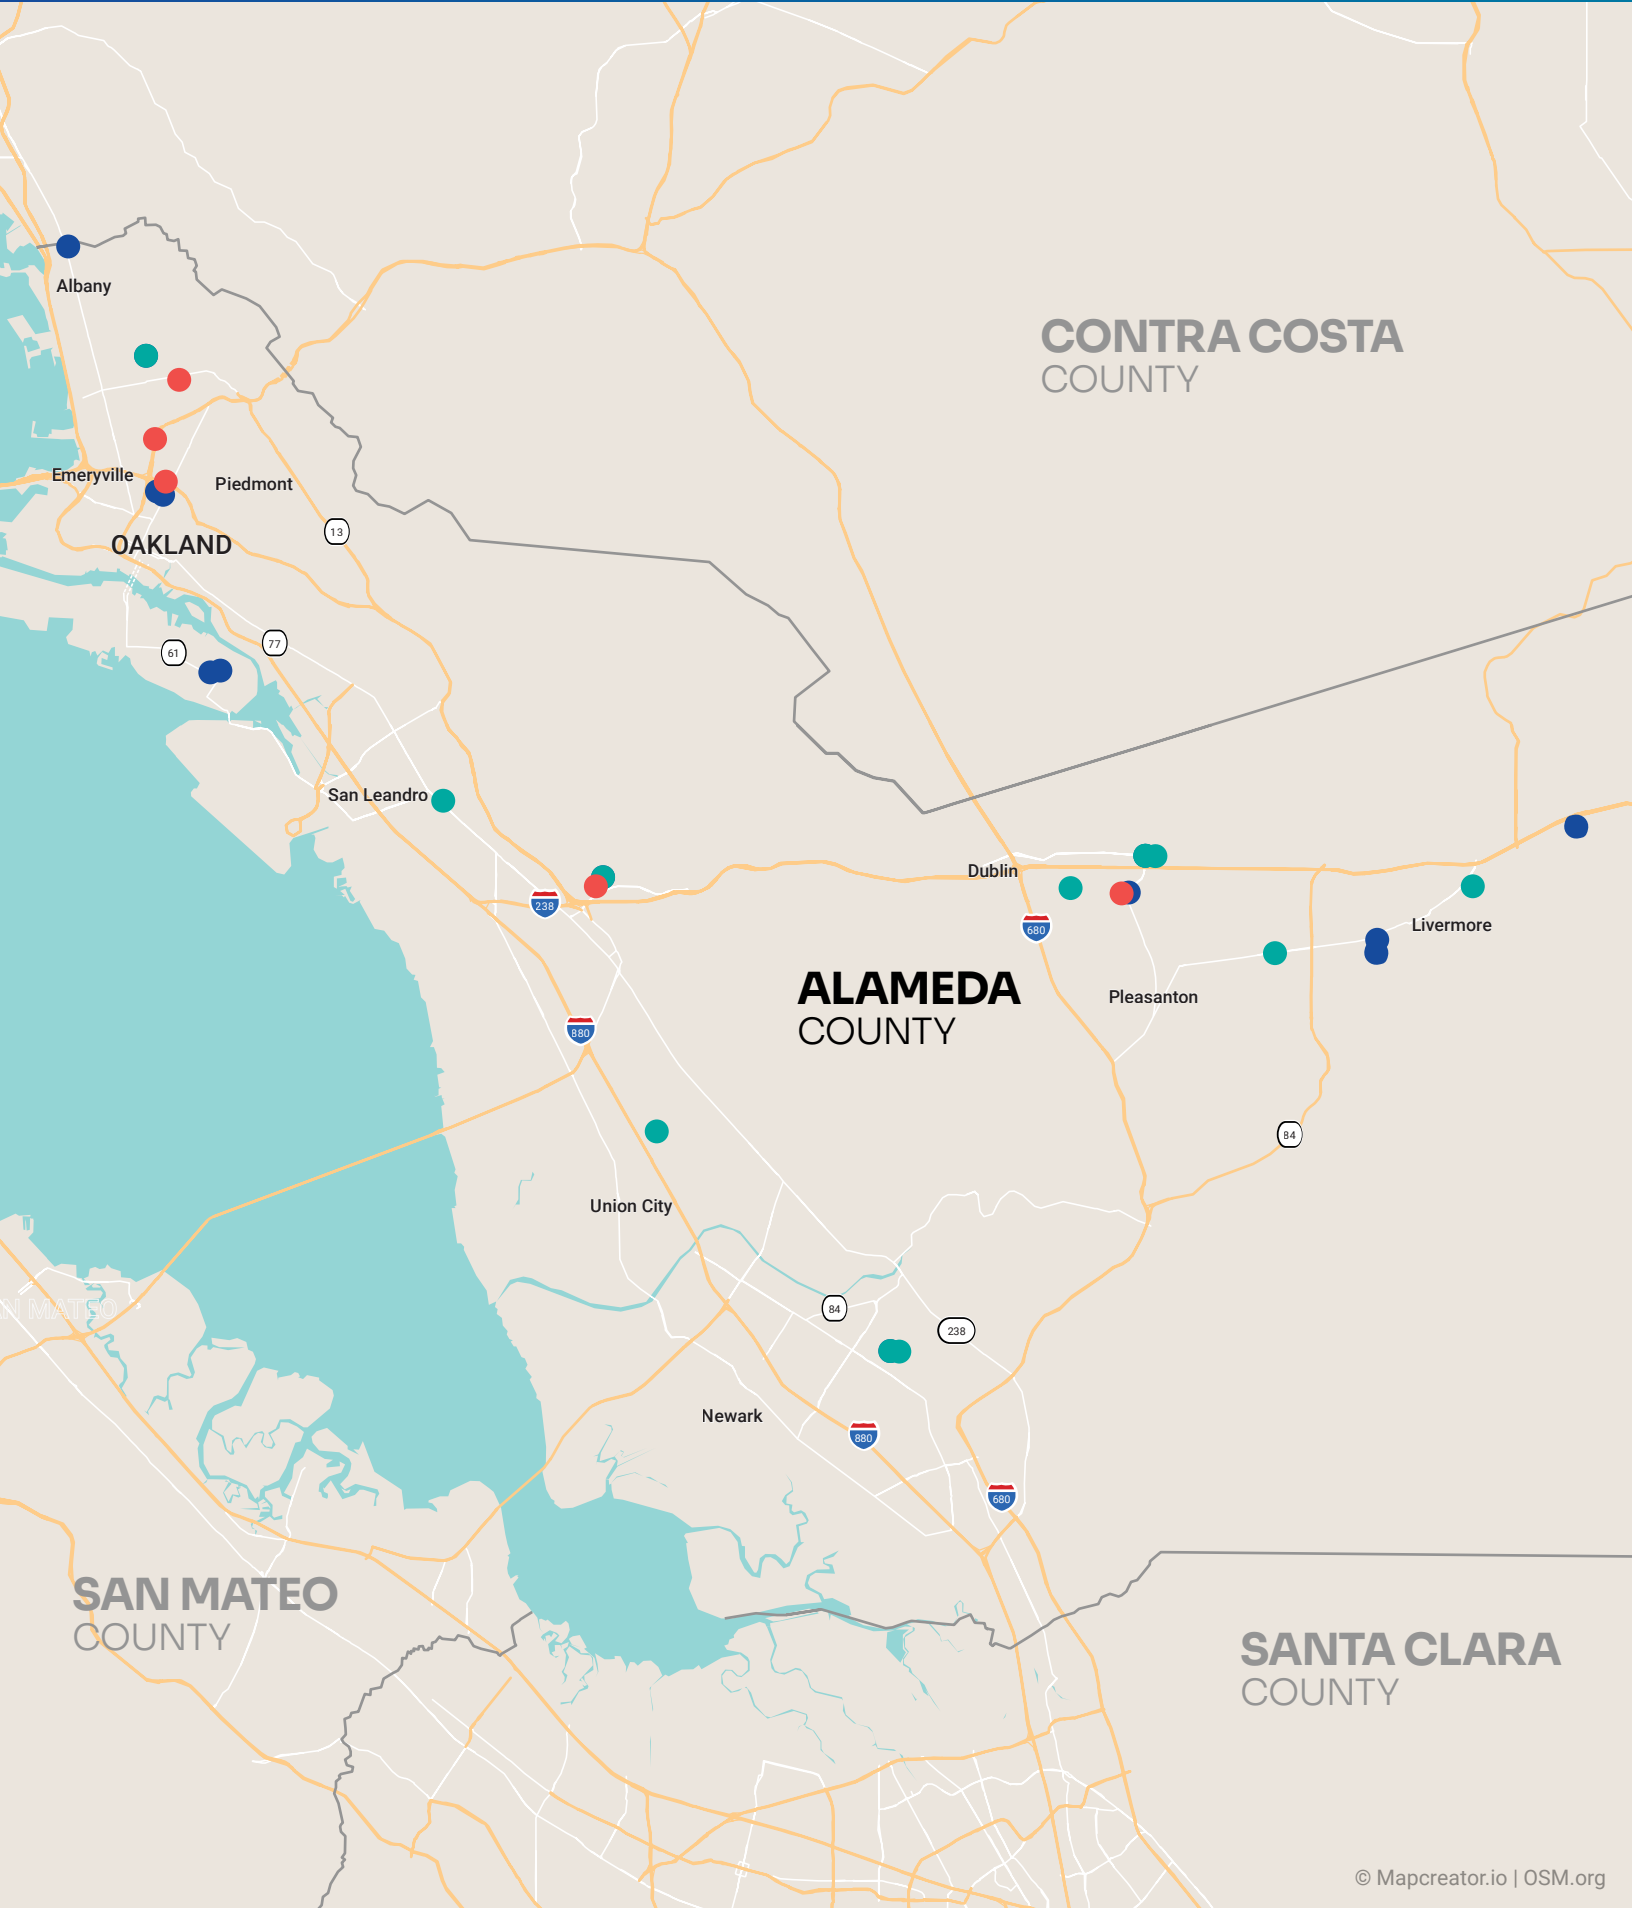

¹ You can log in to your MHO account to see if your PCP offers video visits. If your provider doesn't participate in MHO or you're a new patient, please contact your PCP's office for video visit options.

² Coverage includes urgent care services at in-network facilities while in the Sutter Health Plan service area. Coverage also includes urgent care services at any facility when outside of the Sutter Health Plan service area.

³ Coverage includes worldwide emergency care.

⁴ For nonemergency care, you can access hospital services with a referral or prior authorization through your PCP or specialist.
