

Clinical Pharmacist Preparatory Programme

PROGRAMME DESCRIPTION

The Clinical Pharmacist Preparatory Programme (CPPP) seeks to upskill pharmacists with essential knowledge and clinical practice skills to provide evidence-based, patient-centered medication therapy management in an interdisciplinary team. The Programme aims to assist pharmacists in meeting the minimum competency requirements to practice as clinical pharmacists.

DURATION: 9 MONTHS

PROGRAMME CONTENT

This programme comprises the following learning topics:

Month 0	Month 1 - 3	Month 4 - 7	Month 5	Month 6	Month 8	Month 9
Orientation	Self-Directed Online Study & Quizzes	Clinical Rotation	Case Presentation 1	Case Presentation 2	Viva	Graduation
8 Case Reviews & 20 Interventions						

TARGET AUDIENCE

This programme is recommended for Registered Pharmacists with an interest to practice clinical pharmacy and who desire to improve their clinical knowledge and assessment skills.

LEARNING OUTCOMES

At the end of the programme, participants shall be able to:

- Interpret common signs and symptoms with other patient-specific data and investigations to identify and address medication therapy problems and optimise the care plan.
- Design (and redesign) the care plan with appropriate therapeutic goals and monitoring by following through the clinical progress of the patient.
- Document and communicate recommendations to optimise pharmacotherapy based on evidence, best practices and sound clinical judgement, with ethical and clinical considerations to specific needs of patients and caregivers.

METHODOLOGY

This programme is designed to be an interactive learning experience for participants.

Methodologies used will include:

Clinical Rotation

Case Presentation

Self directed study

TRAINING CAPACITY

4 participants per run

ABOUT THE ORGANISER

Officially established on 19 July 2002, the NHG College plays an instrumental role in facilitating the continuous learning and development of our workforce, as well as, promoting systems improvement and driving leadership development in NHG Health. NHG College collaborates with renowned institutions and industry partners to build the pipeline and collective capacities of our leaders, educators, healthcare professionals and staff to support NHG Health in serving and managing the health of our patients and the population.
