

Introduction to Flipped Classroom

PROGRAMME DESCRIPTION

Flipped Classroom is a teaching strategy that aims to improve learner's engagement and outcomes, through encouraging your learners to play an active role in their learning. The "Introduction to Flipped Classroom" is designed to introduce the pedagogical underpinnings of flipping a class and how-to.

DURATION: 0.5 DAY
(ONLINE)

This half-day workshop will be an opportunity for you to consider the factors that influence the manner in which your learners learn and how you can best facilitate the learning. You will also be introduced to tools that can support a flipped classroom, as well as get to experience flipped classroom yourself.

PROGRAMME CONTENT

This programme comprises the following learning topics:

- Principles of effective teaching and learning
- What is Flipped Classroom
- Key Elements of Flipped Classroom
- Design of Flipped Classroom

TARGET AUDIENCE

Clinical Educators and Teachers, including Associate PDs, Core Clinical Faculty Members (CCFMs), Clinical Instructors, Clinical Educator Leads (CELs), Subject and Posting Leads and Preceptors from all healthcare professions.

LEARNING OUTCOMES

At the end of the programme, participants will be able to:

- Define the flipped classroom model and outline its essential components.
- Apply the principles of effective teaching and learning to practical scenarios.
- Engage learners through active participation during instruction sessions.
- Develop and implement an effective flipped classroom approach to lesson planning.

METHODOLOGY

This programme is designed to be an interactive learning experience for participants. Methodologies used will include:

Pre-readings

Formal presentations

Group discussions

Group activities

TRAINING CAPACITY

25 participants per run

ABOUT THE ORGANISER

Officially established on 19 July 2002, the NHG College plays an instrumental role in facilitating the continuous learning and development of our workforce, as well as, promoting systems improvement and driving leadership development in NHG Health. NHG College collaborates with renowned institutions and industry partners to build the pipeline and collective capacities of our leaders, educators, healthcare professionals and staff to support NHG Health in serving and managing the health of our patients and the population.
