

Learning Facilitation

PROGRAMME DESCRIPTION

Gone are the days when simply presenting information was enough. Today's effective learning environments thrive on dynamic interaction, thoughtful inquiry, and meaningful dialogue. Modern education research shows that moving beyond the traditional "sage on stage" approach leads to deeper understanding and more engaged learners. Success lies in creating spaces where learners actively participate in their learning journey.

DURATION: 1 DAY

PROGRAMME CONTENT

This programme comprises the following learning topics:

Boosting Engagement

- Discover proven techniques to capture attention, combat distractions, and transform teaching from passive lectures to dynamic learning experiences - includes 7 categories and 30 strategies

Learning Facilitation Design

- Learn to craft engaging lessons using three powerful components: Discussion Structures, Inquiry Processes, and Trigger Activities.
- Discover how thoughtful lesson design naturally encourages participation and deepens learning impact.

TARGET AUDIENCE

For Clinical Teachers and Educators who are involved in facilitating and designing programmes and learning activities.

LEARNING OUTCOMES

At the end of the programme, participants will be able to:

- Understand key lesson design components that promotes facilitation;
- Create an effective virtual learning environment through redesigning lesson plans to include discussion structure, inquiry process and trigger activity; and
- Apply key strategies and techniques for creating engagement with learners.

METHODOLOGY

This programme is designed to be an interactive learning experience for participants. Methodologies used will include:

Facilitated small group learning

Group presentations

Interactive exercises
e.g. Role plays, discussions in small and large groups

TRAINING CAPACITY

25 participants per run

ABOUT THE ORGANISER

Officially established on 19 July 2002, the NHG College plays an instrumental role in facilitating the continuous learning and development of our workforce, as well as, promoting systems improvement and driving leadership development in NHG Health. NHG College collaborates with renowned institutions and industry partners to build the pipeline and collective capacities of our leaders, educators, healthcare professionals and staff to support NHG Health in serving and managing the health of our patients and the population.
