Pharmacy Queue Questionnaire

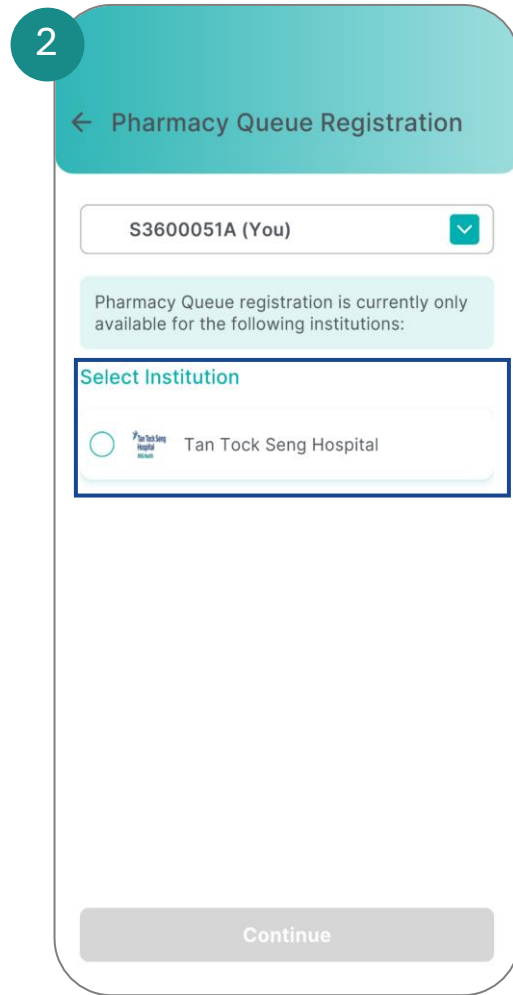

A screenshot of a mobile application interface for a "Pharmacy Queue Questionnaire". The interface is displayed on a white background with rounded corners. At the top, there is a teal header bar with a back arrow on the left and the title "Pharmacy Questionnaire". Below the header, there are four distinct sections. The first section asks "Are you collecting medication to be administered at clinic today?" and has two buttons: "Yes" (white with teal border) and "No" (teal). The second section asks "Are you collecting medication from today's visit only?" and has "Yes" (white with teal border) and "No" (teal) buttons. The third section asks "Are you collecting full supply of medication?" and has "Yes" (white with teal border) and "No" (teal) buttons. The fourth section is titled "Provide your mobile number for Pharmacy Queue SMS notification (Optional)" and contains a text input field with the placeholder text "Eg: 91231234". At the bottom of the form is a large teal button labeled "Confirm".
