

DESTINATION EMPLOYMENT

YOUR FUTURE BEGINS HERE

A New Avenue to Recruit Skilled & Eligible Employees

Destination Employment helps newcomers to Canada gain meaningful employment in Canadian hotels, giving them the experience they need to build a successful future in Canada.

Destination Employment participants complete industry-specific training and courses, meaning the candidates you interview will have a better understanding of the skills and responsibilities for their new role at your hotel.

Become an **Employer**

- Is your accommodation business **struggling to recruit employees**?
- Are you interested in **hiring newcomers to Canada** to help address your challenges and objectives?
- Is your workplace a **welcoming environment** that supports **inclusion** and **diversity**?
- Are you willing to accommodate the **personal and professional development** of your staff?
- Are you committed to **superior human resource practices**?
