What is the Travel Money Oz Currency Pass?

The Facility is a multi-currency, reloadable, prepaid payment facility that allows you to preload your own funds to make purchases and withdraw cash overseas and in Australia, where Mastercard® is accepted. The Facility may also be used online at merchants that accept Mastercard cards electronically.

Significant Benefits

Convenience

The Facility is a convenient way for you to access different currencies overseas, enabling you to easily manage your money while away from home. You can use it online or to pay directly for goods and services at merchants who accept Mastercard electronically or withdraw local currency from any ATM displaying the Mastercard acceptance mark. Note that, although the Mastercard acceptance mark may be displayed, in some countries the Facility may not operate due to restrictions imposed by Mastercard. You can find information regarding the countries where restrictions apply at www.travelmoneyoz.com. Please also note that the Facility cannot be used for manual (non-electronic) transactions. In addition, the Facility must not be used for any unlawful activity. You agree to never give your Card or PIN to another person.

Available Currencies

Using Australian Dollars, you can purchase and hold the available Currencies which can be accessed using a single Card. Each Currency that you purchase when loading the Facility will be held in a distinct Currency balance. A separate balance can be held on your Facility for each of the Currencies listed below, which are subject to change from time to time (as published at www.travelmoneyoz.com):

- Australian Dollars (AUD)
- United States Dollars (USD)
- Euros (EUR)
- Great British Pounds (GBP)
- New Zealand Dollars (NZD)
- Thai Baht (THB)
- Canadian Dollars (CAD)
- Hong Kong Dollars (HKD)
- Japanese Yen (JPY)
- Singapore Dollars (SGD)
- Indonesian Rupiah (IDR) *see note
- Fijian Dollar (FJD)
- United Arab Emirates Dirham (AED)
- Swiss Franc (CHF)
- South African Rand (ZAR)
- Swedish krona (SEK)
- Danish krone (DKK)
- Norwegian krone (NOK)

**Note: This currency is currently not available. It is expected to be available by end of 2026. The most up-to-date list of currencies available is published at www.travelmoneyoz.com. Please refer to www.travelmoneyoz.com regularly for the currently available Currencies.*

The Facility is set up so that you can fully utilise your entire balance to fund a transaction. This means that where you do not have funds available in the currency of the transaction, either because it is not an available Currency, or because you do not have a sufficient balance in the available Currency, the Facility will use the balances of your other loaded Currencies in the default order of priority to fund the transaction.

The default order of priority is:

- | | | | | | |
|---------|---------|---------|---------|----------|---------|
| 1. AUD | 2. USD | 3. EUR | 4. GBP | 5. NZD | 6. THB |
| 7. CAD | 8. HKD | 9. JPY | 10. SGD | 11. IDR* | 12. FJD |
| 13. AED | 14. CHF | 15. ZAR | 16. SEK | 17. DKK | 18. NOK |

**Note: This currency is currently not available. It is expected to be available by end of 2026. The most up-to-date list of currencies available is published at www.travelmoneyoz.com. Please refer to www.travelmoneyoz.com regularly for the currently available Currencies.*

The Facility will first take funds from the relevant Currency balance that the transaction is denominated in, i.e if the transaction in question is in USD, the Facility will first look to see if you have a sufficient USD balance and, if not, will then work its way through the other Currency balances in the default order of priority until the transaction amount is able to be satisfied. when a transaction of this kind occurs, no Currency Conversion Fee is charged. The foreign exchange rate applied will be the Spend Rate. Please see the Fees and Limits Table and the Terms and Conditions for an explanation of how the Spend Rate applies in these scenarios.

If you make or attempt to make any transactions that exceed the available balance in all Currencies in your Facility, the transaction will fail and/or the negative balance becomes a debt immediately payable by you and you must pay that debt immediately along with any costs or interest incurred in recovering or attempting to recover from you the amount owing.

Loading

Your Facility can be loaded/reloaded in the available Currencies at participating Flight Centre Travel Group stores via accepted payment methods (“In-Store Load”) or online via www.travelmoneyoz.com (“Online Load”) or via other methods we make available (as published on the website) from time to time, subject to certain limits and fees (refer to the Fees and Limits Tables). In-Store Load and Online Load services are provided to you by Mastercard.

Online load

You can visit www.travelmoneyoz.com and follow the prompts to load/reload your Facility. Once you complete your load/reload transaction instruction, you will be able to make payment for the transaction using your credit card or debit card as accepted by us or other such methods made available on the website from time to time.

Although a load transaction can be for a value denominated in any of the available Currencies, you may only make payment for such load transactions for which instructions have been completed through www.travelmoneyoz.com in Australian Dollars.

Loading via methods other than www.travelmoneyoz.com:

Funds can be loaded by BPAY directly via your own internet banking or phone banking.

For BPAY loads not via www.travelmoneyoz.com:

Bill code: 184416
Reference no: Your 16-digit Card number

BPAY loads will generally take two (2) Business Days to be processed, however may take longer if the payment is made after 2pm Australian Eastern Standard Time.

If functionality to allow you to load funds by Bank Transfer directly via your own internet banking or phone banking is available, you will be able to do so by using the following details:

BSB: 016-964
Account number: 9-digit account number to be retrieved from My Account
Account name: “Your name”

Bank Transfer loads will typically be faster than BPAY loads, generally taking one (1) Business Day to be processed, however may take longer if the payment is not made before 2pm Australian Eastern Standard Time.

Different fees apply according to the load/reload method you use. Online loads attract a fee of 1.1% and BPAY loads attract a fee of 1%. Please refer to the Fees and Limits table. If Bank Transfer loads are available, they will not incur a fee and will be provided to you free of charge.

BPAY and Bank Transfer loads (if available) not via the website will be allocated only to your current default Currency (and will be converted to that default currency if the default currency is not Australian Dollars). The default currency will initially be Australian Dollars, however you can change your default Currency at www.travelmoneyoz.com.

Please note that you can only have one default Currency at a time. If you send a BPAY load and then change your default Currency before we receive your BPAY payment, we will apply your load to the Currency that is set as your default Currency at the time we process your load. Exchange rates for initial loads and subsequent reloads made using methods available via Online Load on www.travelmoneyoz.com will be set at the prevailing exchange rate set out at www.travelmoneyoz.com at the time of your request. If you initiate a load or reload other than via www.travelmoneyoz.com, the exchange rate applied will be the prevailing exchange rate at the time the payment is processed and the funds are received into your Facility, where such exchange rate may be different to the exchange rate at the time of your request.

Safety and Security

For additional security, your Card is chip and PIN protected and has a signature panel on the reverse. If your Card is lost or stolen, you have forgotten your PIN, or otherwise think your PIN's security has been breached, you can call our 24-hour Global Emergency Assistance helpline for immediate assistance. You should call the appropriate number listed at www.travelmoneyoz.com or as set out on the back of your Card. Please note, ATM withdrawals will require a PIN. If you forget your PIN, you can also obtain a PIN reminder (if you have registered your Card online at www.travelmoneyoz.com) by logging into www.travelmoneyoz.com and following the prompts at any time.

Contactless

Your Card is Mastercard contactless enabled. Mastercard contactless is the faster way to pay for purchases under the applicable transaction limit (currently AUD 100 in Australia) without signature or PIN. Just tap your Card against the reader and go. For more information, please visit <https://masterpass.com/en-au/>. Transaction limits for contactless transactions may change from time to time. For transactions above the limit, additional authorisation is required. Different transaction limits apply in different countries.

Easy to Budget

Once activated, your Facility enables you to load both foreign currencies and Australian Dollars onto the one Card. This means you can exchange your Australian Dollars into one or more Currencies you require before you travel. When travelling you then know exactly how much you have available to spend in the relevant Currency, and upon registering online, you can view and manage your balances online at www.travelmoneyoz.com.

Reloadable

The Facility is reloadable, which means that during the life of the Card, value can be loaded multiple times within the applicable limits. This means that you can reload when you are overseas or load more funds to the Facility each time you travel. If you have money left on your Facility at the end of your travels, you can withdraw your remaining balance in Australian Dollars, you can spend the remaining funds online (in your existing Currencies) or you can transfer your remaining balance to Australian Dollars and spend domestically or online using the Card. Fees may apply to loading/reloading – please refer to the Fees and Limits Table in this PDS.

Global Assistance

Should you lose your Card or if it has been stolen while you are away you may be eligible to receive an emergency cash disbursement within certain limits set from time to time. To access emergency assistance simply call 1800 098 231 (+44 207 649 9404 outside of Australia, call charges apply). Once a customer service representative has established that you have sufficient means of payment (Through the availability of funds on your Facility) we may arrange for funds to be made available to you at a convenient disbursement location (dependent upon the availability of approved disbursement locations in your location at the time). Disbursement locations include agent locations approved by us from time to time. If an approved disbursement location is available to you, you will be advised of the relevant address details, telephone number and opening hours of the disbursement location.

Significant Risk

Security

It is important that you safeguard your Card details, your PIN and any other passwords, equipment or software required for your operation of the Facility. If you do not, then you may be liable for unauthorised transactions and other amounts as explained further in the Terms and Conditions. You may also have other liabilities, and our liability may be limited, as described in the Terms and Conditions. There is a risk of unauthorised or mistaken transactions being made through the Facility.

In some circumstances the Issuer may not be liable for losses that are not caused by the Issuer's fraud, negligence or wilful misconduct (including that of its officers, employees, contractors or agents), including where the losses are excluded in the Terms and Conditions, or in the event of equipment or system failure, financial scam or fraud (including consequential losses) meaning that you may still be liable for the transaction and consequential losses.

The amount that may be withdrawn using a Card may be limited by the ATM operator or merchant. In some cases, the way in which a point of sale transaction is processed will depend upon the functionality of the equipment used.

Foreign Exchange Fluctuations

When you load and/or allocate funds across multiple Currencies, you are exposed to, and take the risk of, foreign exchange fluctuations across these various Currencies. For instance, if you load your Facility in US Dollars (at the prevailing rate on the day - see clause 10 of the Terms and Conditions), then over time, the Australian Dollar equivalent of this US dollar amount may be less than, or more than, the original Australian Dollar amount.

Service Availability

In some circumstances, there is a risk that ATM or point of sale services may not be available for a period of time. The Issuer and Mastercard are dependent upon the reliability and operational processes of technology and communications providers, with respect to computer and telecommunications network. While all parties seek to achieve 100% availability, process and service disruptions may occur periodically. The Card must not be used for manual (non-electronic) transactions (e.g. imprinters, click-clack machines or offline transactions).

Card Expiry

Each Card has an expiry date. The expiry date is printed on the front of the Card. The Card cannot be used after it has expired. However, you will still be able to obtain a refund of the Card Fund balance, less any applicable fees.

Pre-authorisation

Certain businesses (e.g. hotels, cruise lines and car rental companies) may ask for pre-authorisation of the estimated cost of the final bill. If the Card is used for this purpose, this pre-authorised amount will be temporarily unavailable for up to third (30) days. Only the actual amount of the final bill will be deducted from the Card Fund balance.

Dynamic Currency Conversion

Dynamic Currency Conversion (“DCC”) is an optional service that is sometimes offered by foreign retailers and ATM operators, giving cardholders the choice of paying in either the currency of the country they are visiting or their own domestic currency. If you make a purchase or ATM withdrawal in a country where the local currency is the same as a Currency on your Facility (e.g. using your US Dollar funds in the USA) and you opt in to a DCC service, this may result in an additional foreign exchange transaction. Accepting the offer to settle in another currency may result in unnecessary conversion costs as the merchant may apply a foreign exchange margin to convert the transaction currency into another currency. In addition, the Spend Rate may apply in accordance with clause 10 of the Terms and Conditions - for example, if there are insufficient funds available in the other currency used for the DCC (see the Fees and Limits Table in this PDS). If you have funds loaded onto your Facility in the currency of the country you are in, we do not recommend that you opt in to DCC.

Loading Large Amounts of Currency

The risks of the Facility may be increased when loading large amounts of money onto the Facility as no interest is payable in relation to the Card Fund and foreign exchange rate fluctuations (as described above) will have a greater impact the larger the amounts loaded onto the Facility.

Third Party Limits

The amounts withdrawn or used for purchases using the Card may be limited by the ATM operator, merchant, or regional regulatory limits as relevant.

TRAVEL MONEY OZ CURRENCY PASS LIMITS

Amounts shown are in AUD

Minimum amount you can load/reload on your Card per load/reload	\$20 or currency equivalent
Maximum amount you can load/reload on your Card per load/reload	\$50,000 or currency equivalent
Maximum BPAY reload amount per day	\$25,000 or currency equivalent
Maximum balance allowed at any one time.	\$50,000 or currency equivalent
Maximum balance allowed across all Currencies during any 12 month period	\$75,000 or currency equivalent
Maximum ATM withdrawal amount in any 24 hours	\$3,000 or currency equivalent (some ATM operators may set their own withdrawal limits)
Maximum value of EFTPOS transactions during any 24 hour period	\$15,000 or currency equivalent.

EXAMPLES:

¹ Reloading your Card via Travel Money Oz logon:

A reload of AU\$500 attracts a fee of 1.1% ($AUD500 \times 1.1\% = AUD5.50$). The amount payable for your reload of AUD500 will therefore be AUD505.50. A reload of AUD2500 also attracts a fee of 1.1% ($AUD2500 \times 1.1\% = AUD27.50$). The amount payable for your reload of AUD2500 will therefore be AUD2,527.50.

² BPAY® reload fee:

1% of the reload amount which will be deducted from your reload amount. For example, a reload of AUD500 attracts a fee of 1% ($AUD500 \times 1\% = AUD5$). The amount of your reload will therefore be AUD495. This fee is set and charged by Mastercard.

³ Domestic ATM withdrawal fee:

2.95% of the amount withdrawn charged at the time when you use your Card to make a withdrawal from ATMs in Australia from your AUD currency. For example, if you have AUD funds on your Card and withdraw AUD500 from an ATM in Australia it will attract a fee of AUD14.75 ($AUD500 \times 2.95\%$). Currency to Currency foreign exchange rate: the then applicable retail foreign exchange rate determined by us. This is applied when you move your funds from one Currency to another Currency online. For example, suppose you wish to allocate AUD500 to USD and the prevailing exchange rate, set by us, is AUD1 = USD1.09. This would equate to USD545.00 ($AUD500 \times 1.09$).

⁴ Example of Currency Conversion Spend Rate:

Example A: The following example is provided to assist you in understanding how the Spend Rate is applied when you conduct an ATM transaction in a currency that is different to the Currencies on your Card. Although it describes an ATM transaction, the same process will apply to POS transactions.

You are travelling to Brazil and wish to withdraw Brazilian Real BRL 50.00 from an ATM these (Funds from your AUD balance will be used first as per the default order of priority).

- Assuming the Spend Rate is AUD 1.00 = BRL 0.746, the AUD cost will be AUD 67.02 ($1/0.746 \times BRL 50.00$).

If the merchant settles the transaction on the same day as the purchase, AUD 67.02 will be debited from your AUD balance. If the merchant settles on a subsequent day, then the rate that applies will be the Spend Rate on the day of settlement. You can obtain this exchange rate by contacting Mastercard Prepaid. Any withdrawal fee charged by an ATM operator will be charged in addition to the above amounts.

Example B: The following example is provided to assist you in understanding how the Spend Rate is applied when you conduct a transaction that requires us to allocate funds from several Currencies. You are travelling in the United States of America and while shopping make a purchase for USD 150.00. At the time of this purchase you have the following Currency balances – USD 50.00, AUD 0.00, EUR 60.00, CAD 100.00. The following application of Funds will take place:

Currency balance before transaction	Amount to debit from Card Fund	Running purchase balance	Spend Rate	Currency balance after transaction
USD 50.00	USD -50.00	USD 100.00	-	USD 0.00
AUD 0.00	AUD 0.00	USD 100.00	-	AUD 0.00
EUR 60.00	EUR -60.00	USD 15.81	USD 1: EUR 0.7127	EUR 0.00
CAD 100.00	CAD -15.98	USD 0.00	USD 1: CAD 1.0109	CAD 84.02

4. Activation and expiry

- 4.1 Before you can use the Card, you must activate your Card in store or by either registering and logging in online at www.travelmoneyoz.com. If you have a pre-loaded card and wish to activate this card over the phone, please call 1800 098 231 (+44 207 649 9404 outside of Australia, call charges apply) and follow the prompts. You may be required to provide information to the Issuer, Flight Centre Travel Group and Mastercard (including evidence of identity) before the Card maybe activated.
- 4.2 The expiry date is printed on the front of the Card.
- 4.3 The Card cannot be used after it has expired. However, you will still be able to obtain a refund of the Card Fund balance, less any applicable fees (refer to Fees and Limits Table and see clause 11 below).

5. Use of the Card

- 5.1 The Card may, subject to any applicable fee, be used to withdraw cash from an ATM displaying the Mastercard acceptance mark and/or to pay for goods and services at merchants, or online, where Mastercard is accepted electronically.
- 5.2 The Card cannot be used for manual (non-electronic) transactions. In addition, the Facility must not be used for any unlawful activity. You agree to never give your Card or PIN to another person.
- 5.3 When using your Card at POS terminals and ATMs, you must select “credit” and not the “cheque” or “savings” option. Please note that by selecting “credit” you are simply accessing the funds through the Mastercard payment scheme; you are not provided with any credit by the Issuer or any other person (although if a Negative Balance occurs, then you will have to repay the amount owing – see clause 8.6 below). Unless the transaction is a Mastercard contactless transaction, you will then be asked to enter your Card PIN or provide a signature to confirm the transaction.
- 5.4 Although the Mastercard acceptance mark may be displayed, in some countries the Card may not operate due to restrictions imposed by Mastercard. You can find information regarding the countries where restrictions apply at www.travelmoneyoz.com.
- 5.5 When a Card is used to purchase fuel at an automated fuel pump the Card Fund must have a minimum balance of AUD80 (or foreign currency equivalent). In addition, to make a telephone call there must be a minimum of AUD11 (or foreign currency equivalent). If you spend less than these minimum amounts any unused balance may be temporarily unavailable.
- 5.6 When a Card is used at bars or restaurants an additional percentage (usually, but not necessarily, 20%) may be automatically added as an anticipated service charge or tip and debited to the Card Fund. If your actual service charge or tip is less, any unused balance may be temporarily unavailable.
- 5.7 Certain businesses may not accept the Card as a means of pre-authorising expenditure. If the Card is used for this purpose, some businesses (such as hotels, cruise lines and car rental companies) may pre-authorise the estimated amount of the final bill and this amount will temporarily be unavailable for up to 30 days. Only the actual amount of the final bill will be deducted from the Card Fund.
- 5.8 When a Card is used to purchase goods for delivery by mail or online an additional 10% may be automatically added as an anticipated delivery charge. If the actual delivery charge is less, any unused difference may be temporarily unavailable.
- 5.9 Subject to the application of clauses 5.10 and 10.4, the applicable Currency balance (and therefore the total Card Fund) will be debited with the amount of each cash withdrawal or transaction and any fee and these debits will reduce the balance of the applicable Currency (and therefore the total Card Fund). Except for contactless transactions that do not require authorisation or validation, each transaction will require authorisation or validation before completion.
- 5.10 If there are insufficient funds in a particular Currency to pay for a transaction, the balance of the transaction will be automatically processed using other Currencies in the following order of priority: AUD, USD, EUR, GBP, NZD, THB, CAD, HKD, JPY, SGD, IDR, FJD, AED, CHF, ZAR, SEK, DKK, NOK. If, following the use of the available balances of all Currencies, there are still insufficient funds to pay for a transaction, the Card may be declined or the retailer may allow you to pay the balance by some other means. If we add any new currencies to the Currencies available to you in connection with the Facility, then we will notify you of the new order of priority for the purposes of this clause 5.10 either directly or through www.travelmoneyoz.com.

- 5.11 You agree to accept a credit to your Facility in the applicable Currency if you are entitled to a refund or other credit for any reason for goods or services purchased using the Card.
- 5.12 A transaction or payment cannot be cancelled once a transaction is authorised or validated.
- 5.13 The ATMs and point of sale terminals are not owned or operated by the Issuer, Flight Centre Travel Group and Mastercard and the Issuer, Flight Centre Travel Group and Mastercard are not responsible for ensuring that they will accept the Card.
- 5.14 You must comply with all laws and regulations (including any foreign exchange controls) in respect of the Facility in the country of purchase and/or use.
- 5.15 By successfully applying for and using the Facility, you acknowledge and agree that when electronic statements will be available, we will not provide and you will not receive paper statements. If available, electronic statements will show the Card's transactions and Card Fund balance that is available, and you can view your transactions and manage your balances at www.travelmoneyoz.com.
- 5.16 If a person reports that a mistaken payment has been made from the person's account to your Facility, you agree that:
- (a) we may inform that person's financial institution whether or not your Facility has sufficient credit funds to cover the mistaken payment; and
 - (b) we may freeze those funds (until the matter is resolved, which we will use reasonable endeavours to do as soon as practicable), or debit those funds from your Facility.
- Where required by relevant law, for example where we reasonably believe you to be a Proscribed Person, you acknowledge that we may be required to block access to the Card and/or Card Fund and immediately refuse to process or complete any transaction or suspend or terminate our arrangements with you. You agree that under these circumstances we are under no liability to you, except to the extent there has been fraud, negligence or willful misconduct on our part (including that of our officers, employees, contractors or agents).
- 5.17 You agree that we may delay, block or refuse to process any transaction without incurring any liability if we suspect that the transaction:
- (a) may breach any laws or regulations in Australia or in any other country;
 - (b) involves any person (natural, corporate or governmental) that is itself sanctioned or is connected, directly or indirectly, to any person that is sanctioned under economic and trade sanctions imposed by the United States Office of Foreign Assets Control, United Nations, the European Union or any country; or
 - (c) may directly or indirectly involve the proceeds of, or be applied for the purposes of, any unlawful conduct, you agree that under these circumstances we are under no liability to you, except to the extent that the liability is caused by our fraud, negligence or willful misconduct (including that of our officers, employees, contractors or agents).

6. Card Limits

- 6.1 Most ATM operators limit the minimum and maximum amounts that can be obtained in a single transaction. These amounts may also be limited (in some countries) by regulatory controls.
- 6.2 Other limits are also applicable to the use of the Facility, as set out in the Fees and Limits Table.

7. Replacement Cards

- 7.1 If the Card is lost, stolen or damaged while you are in Australia, you can request a replacement Card by contacting Mastercard on 1800 098 231. Replacement Cards are sent to you at your nominated address by standard post.
- 7.2 If the Card is lost, stolen or damaged while you are overseas you can request a replacement by contacting Mastercard on +44 207 649 9404. Replacement Cards may be delivered to you, depending on your location and availability. Mastercard may arrange for funds to be made available from various outlets overseas, or to send funds directly to you, in place of delivering a replacement Card.
- 7.3 A replacement Card fee applies (refer to Fees and Limits table).

8. Card Fund

- 8.1 Until the expiry of the Card you can add additional funds to each Currency through a Distribution Outlet (who will advise you of the acceptable methods of payment), through www.travelmoneyoz.com using accepted payment methods, through BPAY[®], by Bank Transfer (if available) or through such other methods made available (as published on the website) from time to time, subject to certain limits and subject to any applicable fees (refer to the Fees and Limits Table or as communicated to you from time to time).

BPAY loads will generally take two Business Days to be processed however may take longer if the payment is made after 2pm Australian Eastern Standard Time. Bank Transfer loads, if available, will generally take one Business Day to be processed however may take longer where the payment is made after 2pm Australian Eastern Standard Time. BPAY and Bank Transfer loads (if available) will be allocated to your current default Currency (and will be converted to that default currency of the default currency is not Australia Dollars). The default currency will initially be Australian Dollars, however you can change your default Currency at www.travelmoneyoz.com. Please note that you can only have one default Currency at a time.

- 8.2 As best as you can, memorise your PIN. For security purposes, you should not keep your PIN written anywhere near your Card. If you forget your PIN, you can obtain a PIN reminder by calling Card Services and answering the security questions you supplied on your application or by going to www.travelmoneyoz.com and following the prompts at any time.
- 8.3 You may also be able to make a balance enquiry at some ATMs although availability is dependent on the country and the ATM used. There may be a fee payable (to the ATM operator) for balance enquiries. An ATM will not display a balance for each Currency, to access an accurate balance for each Currency you can log onto www.travelmoneyoz.com.
- 8.4 If an ATM displays a balance for the Card Fund, then this may be displayed in AUD or in a different currency, in which case the exchange rate applied may be different to ours and minor discrepancies can arise.
- 8.5 Information sent over the internet may not be completely secure and the internet and the online systems are not controlled or owned by the Issuer, Flight Centre Travel Group or Mastercard so neither the Issuer, Flight Centre Travel Group nor Mastercard can guarantee that they will function at all times and the Issuer, Flight Centre Travel Group and Mastercard accept no liability for unavailability or interruption or for the interception or loss of Personal Information or other data, except to the extent that the liability is caused by our fraud, negligence or willful misconduct (including that of our officers, employees, contractors or agents).
- 8.6 The Card Fund can only be used if it is in credit. If a particular Currency becomes overdrawn, and a Negative Balance arises, following any transaction authorised by you, the resulting debit balance immediately becomes a debt payable by you to the Issuer and we retain the right to recover this debt by deducting funds held in another Currency. When we convert the Negative Balance into the relevant Currency we will use the same rate that we use for Currency to Currency allocations on the given day we process the transaction. If notwithstanding any such deduction a Negative Balance remains, the resulting debit balance immediately becomes a debt payable by you to the Issuer. A Negative Balance Fee may also be payable if a particular Currency and/or the Card Fund becomes overdrawn (see Fees and Limits Table). If the Card Fund does become overdrawn, every attempt should be made by you to stop subsequent transactions.
- 8.7 If you notice any error in any transaction in the Card Fund then you must notify Mastercard promptly. The Issuer, Flight Centre Travel Group or Mastercard may request you to provide additional written information concerning any error and you must comply with that request. Please note Mastercard Scheme Rules impose time limits after the expiry of which our ability to dispute a transaction on your behalf may be lost.
- 8.8 Provided that you have complied with all reasonable requests for information we will correct the error if it is our or any of our service providers' fault. If we decide it is not our fault we will notify you in writing or by email as soon as this decision is made. Where we are required to do so, we normally re-credit the Card Fund within 10 business days, although there may be a delay while investigations are completed.
- 8.9 If the Issuer, Flight Centre Travel Group or Mastercard discover an error in the amount and/or Currency of any funds that have been loaded or reloaded onto the Facility for any reason, we (including a Distribution Outlet) are authorised to correct this error without further notice, including but not limited to debiting any amount of funds from the Card Fund that have been loaded in error.

9. Fees

- 9.1 You agree to pay and authorise us to debit the Card Fund for the fees set out in the Fees and Limits Table. These fees may be debited from the Card Fund as soon as they are incurred. Unless otherwise specified, all fees will be debited in AUD. If there are insufficient funds in AUD to pay such fees, then we will automatically deduct funds from other Currencies in the order of priority notified to you and as amended from time to time. Any such deduction of funds may be subject to a fee (refer to the Fees and Limits Table). If we make additional currencies available to you in connection with the Facility, then we will notify you of the new order of priority for the purposes of this clause either directly or via www.travelmoneyoz.com.
- 9.2 Certain merchants may charge an additional fee if the Card is used to purchase goods and/or services. The fee is determined and charged by the merchant and is not retained by us.
- 9.3 The Card may, subject to any applicable fee, be used to withdraw cash from ATMs displaying the Mastercard acceptance mark.

- 9.4 If any amount payable under this PDS represents consideration for a taxable supply, then those amounts shall be taken to be exclusive of GST.

10. Foreign Currency Transactions

- 10.1 There are seven instances where a foreign exchange rate will apply:
- (a) Initial load or In-Store Load where you allocate funds in a foreign Currency (i.e. in a currency other than AUD);
 - (b) Online Loads or Bank Transfer loads (if available) not via the website or such other methods made available from time to time where you allocate funds in in a foreign Currency (i.e. in a currency other than AUD);
 - (c) Point of sale transactions where the transaction is in a currency that is not one of the Currencies available on the Facility (including any transaction where we deduct funds under clause 5.8 above due to insufficient funds);
 - (d) ATM withdrawals where the local currency is not one of the Currencies available on the Facility, or where there is an insufficient available balance in the relevant Currency;
 - (e) Where you allocate funds from one Currency to a different Currency; (f) Where we allocate funds from one Currency to a different Currency in accordance with these Terms and Conditions; and
 - (g) Where your Facility is closed, or request repayment of any balance on your Facility under clause 11.2 below, that has funds in a foreign Currency (i.e. in a currency other than AUD).
- The method for calculating the foreign exchange rate for each scenario is set out below.
- 10.2 The foreign exchange rate used for initial loads and In-Store Loads is set and determined by Flight Centre Travel Group and Mastercard and varies each day. You can ask the Distribution Outlet for the exchange rate beforehand. Foreign exchange rates are subject to variation and the rate that applies one day will not necessarily be the same on any other day.
- 10.3 The foreign exchange rates used for Online Loads, BPAY and Bank Transfer loads (if available) not via the website are set and determined by Mastercard and vary each day. You can obtain the exchange rate applicable to Online Loads, at www.travelmoneyoz.com and to BPAY and Bank Transfer (if available) loads not via the website by contacting Mastercard on 1800 098 231. Exchange rates applicable to loads not completed via the website will be determined by Mastercard at the time of processing and may differ to online quoted rates at www.travelmoneyoz.com.
- 10.4 If an ATM withdrawal or point of sale transaction is made in a currency which is different to any of the available Currencies, or exceeds the relevant available Currency balance, on your Facility, the amount will be funded by converting the transaction amount into the next available Currency balance on your Facility in the following order of priority: AUD, USD, EUR, GBP, NZD, THB, CAD, HKD, JPY, SGD, IDR, FJD, AED, CHF, ZAR, SEK, DKK, NOK. In these circumstances, no Currency Conversion fee will be charged, but we will apply the Spend Rate which is set and determined by Mastercard and varies each day(see Fees & Limits Table).
- 10.5 The foreign exchange rate used for allocating funds from one Currency to another Currency is the Spend Rate which is set and determined by Mastercard and varies each day(see Fees and Limits Table). You can access the Spend Rate Calculator to check what the Spend Rate is on a particular day at www.travelmoneyoz.com.
- 10.6 Where your Facility is closed, or request repayment of any balance of your Facility under clause 11.3 below, and the Facility has funds in a foreign Currency (i.e. in a currency other than AUD), we will convert these funds into AUD. The foreign exchange rate used for this is the Spend Rate which is set and determined by Mastercard and varies each day (see Fees & Limits Table). If you wish to confirm the foreign exchange rates before you close your Facility you can contact Card Services.

You will receive payment in Australian Dollars of any credit balance remaining on the Facility once closed. The relevant amount will be deposited into your nominated bank account. The credit balance available to you will not include uncanceled, pre-authorized or "held" amounts (see clause 5 above), although these sums will be made available to you once the pre-authorization has been cancelled or the "held" amounts released by the merchant and the relevant amounts are available for spending or withdrawal. A currency exchange rate will apply to any withdrawal/cash out of funds to your bank account that are held in foreign currency. Please refer to clause 10 for information on foreign exchange transactions.

 - (f) record any Security Code where it may be accessed by other people unless you make a reasonable attempt to protect the PIN or Security Code;
 - (g) voluntarily disclose the PIN or any other Security Code to anyone else, including a family member or friend; or
 - (h) fail to comply with any reasonable instructions we give about keeping the Card and any Security Details safe and secure; or
 - (i) act with carelessness in failing to protect the security of the PIN and any other Security Code.
- 13.2 The Card will be disabled if an incorrect PIN is entered three successive times. If the Card is disabled, please contact Card Services to reactivate the Card. There may be a delay (usually 24 hours) in reactivating a disabled Card.

14. Loss, theft and misuse of Cards

- 14.1 If you know or have reason to suspect that the Card is lost or stolen or damaged, likely to be misused or you have reason to suspect that someone else may know the Security Codes or Security Details, you must promptly notify Card Services. We will then suspend the relevant Card to restrict further use.

- 14.2 You may be required to confirm details of the loss, theft or misuse in writing (and to provide particular information in the confirmation) and you must comply with that requirement to the extent reasonable.
- 14.3 You must take reasonable steps to assist us and the police in any enquiries and attempts to recover a lost or stolen Card.
- 14.4 If any lost Card is subsequently found it must not be used unless Mastercard confirms it may be used.

15. Liability for Unauthorised Transactions

- 15.1 You will not be liable for losses resulting from Unauthorised Transactions where it is clear that you have not contributed to the loss.
- 15.2 You will not be liable for losses resulting from Unauthorised Transactions that are caused by the fraudulent or negligent conduct of:
 - (a) our staff or agents;
 - (b) companies involved in networking arrangements, or
 - (c) merchants who are linked to the electronic funds transfer system or their agents or employees.
- 15.3 You will not be liable when Unauthorised Transactions:
 - (a) happen using a Card after notification to us that the Card has been misused, lost or stolen or that the security of the relevant Security Codes has been breached;
 - (b) happen before you receive a Card and/or PIN (including a reissued Card and/or PIN);
 - (c) are made with forged, faulty, expired or cancelled Cards, Identifiers or PINs (as applicable);
 - (d) are the result of the same transaction being incorrectly debited more than once to the same Card Fund; or
 - (e) are made using an Identifier without a Card or PIN.
- 15.4 Subject to clauses 15.1, 15.2 and 15.3, where we can prove on the balance of probability that you have contributed to the losses caused by an Unauthorised Transaction:
 - (a) through your fraud; or
 - (b) by failing to comply with the Security Requirements, then you are liable for the actual losses which occur before we are notified of the loss, theft or misuse of your PIN or Card or a breach of the Security Requirements. However, you will not be liable for any loss on any day, or in any period, exceeding any applicable transaction limit for that day or period and you will not be liable for loss in excess of the balance of the Card Fund available for transactions using the Card. If you leave your Card in an ATM, you will be liable for all losses arising from Unauthorised Transactions in relation to your Card as long as the ATM incorporates reasonable safety standards that lessen the risk of your Card being left in the ATM (e.g. ATMs that capture cards that aren't removed or which require a user to swipe and then remove a card before commencing the transaction).
- 15.5 Subject to clauses 15.1, 15.2 and 15.3, you will be liable for losses resulting from Unauthorised Transactions where we can prove on the balance of probability that you have contributed to the losses through unreasonably delaying notification of the misuse, loss or theft of a Card or that the security of the relevant PIN has been breached. Your liability in this case is limited to losses occurring between the time that you became aware of the security compromise, or should reasonably have become aware in the case of a lost or stolen Card, but you will not be liable for any loss on any day, or in any period, exceeding any applicable transaction limit for that day or period and you will not be liable for loss in excess of the balance of the Card Fund available for transactions using the Card.
- 15.6 Where a passcode was required to perform an unauthorised transaction, and clauses 15.1–15.5 do not apply, the holder is liable for the least of of:
 - (a) AUD150;
 - (b) the actual loss at the time we're notified of the misuse of the Card, loss or theft of the Card or of the breach of security of the relevant Security Codes (limited by the applicable daily or period transaction limits over the relevant timeframe); or
 - (c) the balance of the Card Fund available for transactions using the Card.
- 15.7 You are responsible for checking your transaction history online and knowing your available balance. You can check your balance and transaction history free of charge at www.travelmoneyoz.com. For disputed transactions you should complete the "Dispute Claim Form" available at www.travelmoneyoz.com. Mastercard Scheme Rules impose time limits after the expiry of which our ability to dispute a transaction on your behalf may be lost. We may not be responsible for any loss to you where it can be shown that you have unreasonably delayed notifying us, except to the extent there has been fraud, negligence or willful misconduct on our part (including that of our officers, employees, contractors or agents)
