CTSO Quality Unit Fees - FY2024
Effective Date: July 1, 2023

Multi-Site Institutional Research¹	
<i>(multi-site research sponsored by UCCCC investigator and/or coordinated by the UCCCC CTSO)</i>	
Start Up Support Fee²:	
The Quality Unit supports Investigator Initiated Trials with start-up services which include; protocol editing, site activation readiness, site initiation presentation, lab manual preparation, database build, multi-site communication prior to activation.	
*Complexity based on trial phase, accrual target, and type of trial.	
Simple Complexity	\$5,000
Moderate Complexity	\$7,500
High Complexity	\$10,000
Registration Review Annual Maintenance Fee³:	
The Quality Unit will support Investigator Initiated Trials by review of each patient's consenting process, and eligibility criteria.	
*Complexity based on trial phase, accrual target, and type of trial.	
Simple Complexity <u>up to 3 external sites</u>	\$3,000
Simple Complexity <u>4 external sites</u>	\$6,000
Simple Complexity <u>5 external sites</u>	\$9,000
Moderate Complexity <u>up to 3 external sites</u>	\$4,000
Moderate Complexity <u>4 external sites</u>	\$7,000
Moderate Complexity <u>5 external sites</u>	\$10,000
High Complexity up to <u>3 external sites</u>	\$5,000
High Complexity <u>4 external sites</u>	\$8,000
High Complexity <u>5 external sites</u>	\$11,000
Data Monitoring and Multisite Coordination Annual Maintenance Fee:	
The Quality Unit will support Investigator Initiated Trials by conducting reviews of data entered into the trial's database. The data review includes completion of data and data quality. Monitoring findings are documented in monitoring reports.	
*Complexity based on trial phase, accrual target, and type of trial.	
Simple Complexity up to <u>3 external sites</u>	\$7,500
Simple Complexity <u>4 external sites</u>	\$11,500

Simple Complexity <u>5 externals sites</u>	\$15,500
Moderate Complexity <u>up to 3 externals sites</u>	\$8,500
Moderate Complexity <u>4 externals sites</u>	\$12,500
Moderate Complexity <u>5 externals sites</u>	\$18,500
High Complexity up to <u>3 externals sites</u>	\$10,000
High Complexity <u>4 externals sites</u>	\$14,000
High Complexity <u>5 externals sites</u>	\$14,000
Data Monitoring and Multisite Coordination (when all subjects in Follow Up) Annual Maintenance Fee:	
The Quality Unit will support Investigator Initiated Trials by conducting reviews of data entered into the trial's database. Trials with all patients in long-term follow up will be invoiced a distinct fee. Reflecting the nature of limited data to be reviewed.	
Data Monitoring All Patients in Long term Follow Up	\$2,000
Legend	
<ol style="list-style-type: none"> 1. <i>Single-Site Trials will not be charge a Quality Unit Fee during the FY24 period. Network sites, such as Silver Cross and Orland Park are not considered externals sites.</i> 2. <i>Start Up Fee will be invoiced after the protocol is activated as open to accrual.</i> 3. <i>Registration Fee will be initially invoiced 6 months after the trial has been open to accrual.</i> 4. <i>Monitoring and Data Coordination Fee will be initially invoiced 6 months after the trial has been open to accrual.</i>

Subsidy FAQ

Question	Answer
Can the fees be lowered for unfunded trials?	All multi-site trials will be invoiced for the same amount based on trial complexity.
